"Must be something to it"  
**EVERYONE TALKS ABOUT THE**

All over America, on big farms and little farms, it's proving itself "The Year 'Round Tractor" . . . winning fame for all 'round performance, all 'round the farm, all year 'round.

You'll respect the Ford Tractor for the way it buckles down to heavy jobs of plowing or discing. You'll like it, and Dearborn Equipment, too, for the way you can do such jobs as scraping, leveling, loading, ditching, terracing, excavating, digging post holes or sawing wood. Most Dearborn implements lift or lower at a touch on the Ford Hydraulic Touch Control. Ask for a demonstration.
