conviction-"Oh don't bother with Harvey's Lake. any cooking, it's too hot, just serve cold meals take plenty of cooking.

make salad for a week is pretty obvious.

Boil up a week's supply of po- Nepa Field Day tatoes in their skins, peel them while still hot, chop them in a big On August 23 bowl with a large knife or with your chopper, season them with salt, pepper, vinegar, and grated the ice-box. If you like eggs in Tunkhannock. your salad, boil them right along into the mixture.

It is a very easy matter to take out enough seasoned potatoes for a meal, add to it the diced celery, the minced parsley, the sweet pepper and the salad dressing, allowing about an hour ahead of mealtime for the salad to ripen. Diced stead, Pennsylvania State College; cucumbers and shredded cabbage Paul Korb, retired county agent make a nice change from the con- from Tioga County; and Jack Fairventional celery. A can of tuna fish added to the potato salad Holstein Association. makes a full meal, balanced and everything. Any number of permutations and combinations are possible with the seasoned potato the future this may be one of the base as a foundation.

And now to the laundry. Hot weather spells many changes of clothes. A painless way of handling the starched problem is to wrap the dampened starched pieces tightly in waxed paper and store them in the bottom of the refrigerator. They will iron like a breeze the next morning, and there is no danger of mildew. Latest weather report—another corcher due.

This is Station P-T-P signing off while Aunt Mildred staggers to a cold tub.
