## Voters of Dallas Township

### LET'S SAVE WHAT'S LEFT

THE QUESTION IS THIS—

Do you still want a School Board majority that is antagonistic to industry?

That has driven tax paying industry out of the township. That has lost the township \$3500, in yearly taxes because of their arrogant stupidity.

That will spend probably \$2000 or more of tax money for legal expenses in a hopeless effort to correct this stupid error and to save face.

That refused—and make no mistake about this—to compromise with Natona Mills in a business like effort to keep this tax payer in the township.

That this arrogant attitude can also result in the loss of the Fernbrook mill.

That have hired teachers from a distant point, instead of qualified teachers from Dallas township who are also tax payers of the township. WHY?

That raised the yearly salary of the board secretary Floyd Chamberlain from \$250 to \$600 during the middle of the term and after the budget had been passed.

If you still want this type of School Board management to continue, then vote for the candidates that are controlled by, The Tavern Keeper Marty Walsh, Floyd Chamberlain, Don Evans Political Machine.

## LET'S SAVE WHAT'S LEFT

Let's elect men to the School Board who will not drive industry and taxes out of the township.

If you want a clean, efficient, economical, intelligent and independent School Board management, without thought of personal gain and with only one thought in mind—The best interest of the school children and the tax payers.
