

Noxen-Jackson In Semi-Finals

Shavertown and Noxen Are Now Out in Front

Noxen came from behind to score one run in the ninth inning and nose out Jackson 3-2 Sunday on the Noxen diamond. This was the first game of the semi-final best-of-three series. The second game will be played Sunday at Jackson.

A large crowd saw "Daddy" Shalata pole out a home run with one man on in the eighth to tie the game at two all. The winning run was scored on Jackson's first error of the game and gave Mack Taylor the nod over Joe Levi in a well-hurled pitching duel.

In the other semi-final Shavertown broke a 2-2 tie in the eighth inning by scoring three runs and then added two more in the ninth for a decisive 7-2 victory over East Dallas.

Anthony, winning pitcher, was in top form as he allowed only five hits.

Stanton, East Dallas hurler, although striking out 15, was touched for eight hits. Newhart and Brown had two hits apiece for Shavertown as did Martin for East Dallas to take hitting honors. These teams will play again Sunday at Beaumont.

This leaves Noxen and Shavertown one up on Jackson and East Dallas with the all-important second game to be played Sunday. Victories by Noxen and Shavertown would conclude the semi-finals and these teams would then meet in the final playoff.

Vogrin bested Bill Lauritus in an 11-inning battle won by Vernon over Harding on the Harding field

Sunday. The two teams are engaged in a three-game consolation series.

Red and White Plays At Avoca

Coach Kennedy Will Rely on Fleet Backfield

Dallas Township will travel to Avoca Saturday in the remaining Back Mountain game. Avoca, which defeated the Redskins 18-0 last year, has already been defeated this season 19-0 by Jenkins Township. The Redskins will field their fleet backfield of Redmond, Bloomer, Bellas and Creamer and will have their bolstered front wall all primed for the encounter.

All the Redskins miss for an all-round good team is a serious aerial threat. This will hamper them against some of the stronger Valley teams whose forward walls will be better than Dallas has faced so far.

Coach Joe Kennedy's Avoca squad committed many miscues last week and showed a dismal passing attack completing only three passes out of sixteen, but the Green and Gold has probably picked up and will be a real test of strength for the Redskins.

Firemen Can't Find Auto Fire

The late Bill MacCullum—The Wilkes-Barre Record's Diamond Dust—would have enjoyed the predicament of Dr. Henry M. Laing Fire Company on Tuesday night when it answered an alarm but was unable to find the fire.

Someone rushed into Bowman's Restaurant around 11 P.M. and shouted that an automobile was on fire "near the theatre." The firemen raced to Himmler Theatre, then to Dallas Outdoor Theatre. There was no automobile on fire at either place. The firemen returned to their homes disappointed. There had been such a large turnout, such a waste of energy.

Bill MacCullum would have chuckled. He it was who created the famous epic of the Espy Fire Department and its all night search to put out the Northern Lights.
