STORE TALK

KNIVES THAT HOLD AN EDGE FOR 3 YEARS!

That is the claim of the ROBESON Co., who have made fine cutlery for over 70 years. It looks mighty good to us. Better give a look in our kitchen department.

New low prices on the famous "FRIGIDAIRE ELECTRIC RANGES" mean that you can get those popular FRIGIDAIRE features in a range priced as low as \$179.00. We'd like to show you why "FRIGIDAIRE" is the choice of women who look at them all.

"DELCA" is the big buy this year in automatic heat—\$150.00 buys the top notch oilburner complete with controls. A great many folks realize the advantage of a General Motors Product, and we are putting them in.

We've got a buy for you in Oil Burning Room Heaters. By a special purchase, we offer a \$25.00 saving on two popular sizes. The medium size for 3 rooms sells at \$59.50 or the large size for 5 rooms at \$79.50.

FLASH! Save \$30.00 on a 54 inch YOUNGSTOWN CABINET SINK. It's the usual Youngstown Quality, with Cutlery Drawer, Shelves and Deeper Bowl. It's the best sink bargain we've seen yet and it's only "catch" to this offer is that it won't last, as we're able to get 12 only. You'll find it a "never before" value.

Did you get a roof over your roof yet? Our aluminum dome roofs add plenty to the appearance as well as providing protection against the weather. The price is right and this is the time to put them on.
