**Borough Loses
To Forty Fort**

Dallas Borough High School quintet played a pre-season warm-up game Tuesday night when the Blue and Gold cagers traveled to Forty Fort to lose to the high scoring Flyers in JayVee and varsity contests.

Hampered by the loss of five seniors from last year's varsity, Coach Bernard Rockowicz is concentrating on obtaining playing experience for his squad before starting the league season.

Dallas has built its offensive around lanky Jack Pizner, who saw action last year at the pivot post, and on little Frankie Pavlick's deadly distance shooting. With Pizner and rugged Bruce Roberts to handle the boards and with Ned McGarry, Dave Evans, Lowell Roberts and Frank Michels to give added power, the Borough quint might well be the dark horse in the Back Mountain League.

St. Michael's will visit the Dallas gym Tuesday, December 20, for a varsity and JayVee contest. Tenta-

tive arrangements have been made to play at West Hazelton on Tuesday, December 27.

Following the first league game against Fairview at Fairview on January 6, the Blue and Gold will tangle with Nescopeck in an exhibition tilt on January 10 in the first of two games to be played on a home and away basis.

Miss Margaret Sutliff of Carverton road, Trucksville is improving after an illness of two weeks.

OH BOY!

am I glad to get back
TO DALLAS HARDWARE & SUPPLY
This Friday and SATURDAY

You can take it from me, it's no fun running around the crowded city . . . no place to park a reindeer, let alone an automobile.

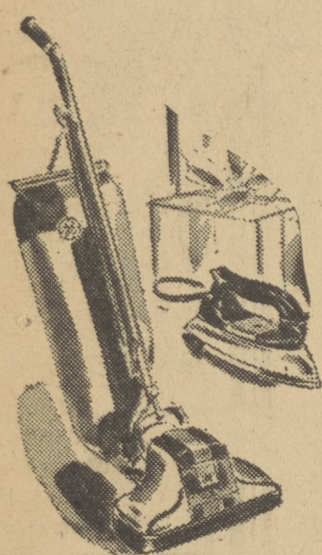

Am I glad to be back at Dallas Hardware & Supply with another full load of toys for little boys and girls of pre-school age who come accompanied by their parents.

What a place this is for Mother and Dad to shop in comfort . . . plenty of room to park . . . a store filled with hundreds of gifts for every member of the family . . . and reasonable prices, too . . . why they've even taken part of the load off my shoulders and will deliver your Christmas tree and all the other beautiful gifts you buy.

Is it any wonder I'm glad to be back in Dallas?
