**1950 Farm Show Opens January 9; Bigger and Better; Record Premiums**

**Sherman Harter, New Head of Kiwanis Club**

Dallas Kiwanis Club installed their newly elected officers at a meeting of the club on Wednesday evening. New president of the organization is Sherman Harter. First vice president is Clyde Cooper and second vice president, Dr. Roger Owen. Installation was in charge of former president, Fred-eric Anderson; David Joseph and Samuel Thompson.

The offices of secretary and treasurer which are appointive were filled by John Parsons and Clarence Shaver, Jr. Retiring president is Donald M. Harris. A reorganization meeting followed the installation.

Harrisburg, Jan. 4 — Hailed as the nation's largest and most effective indoor exposition held under one roof for the display of the agricultural might of a single state, the Pennsylvania Farm Show will open its 34th year in the Farm Show building in Harrisburg at 8 a.m. on Monday, January 9.

It will continue five days and four nights. With favorable weather, half a million or more visitors are expected to attend.

Never before has a Pennsylvania Farm Show presented the large scope and variety of farm products and commercial exhibits as will be seen at the 1950 event, declares Miles Horst, State Secretary of Agriculture and chairman of the State Farm Show Commission. All commercial exhibit space was sold two weeks before the show opening, he added.

"The Farm Show was started and is maintained as an educational project for the advancement of Pennsylvania agriculture," the Secretary explained. "It is operated by and for farmers. It displays the highest quality of Pennsylvania farm crops, livestock and poultry. By showing the best, the Farm Show has an appeal to farmers and consumers alike. It inspires our farmers and dramatizes our food industry, second largest in the Commonwealth."

"The Farm Show presents Pennsylvania agriculture on parade."

Verifying the frequently used expression that each succeeding Farm Show is "bigger and better" than its predecessors, the Commission chairman pointed to new records already established for the 1950 exposition—(1) largest premium total, (2) largest number of cash awards, (3) largest livestock show, (4) largest dairy cattle display and (5) largest number of commercial exhibitors ever known at any Farm Show.

Still another record is reported by the Housing Bureau of the Harrisburg Chamber of Commerce which locates rooms in private homes for the largest crowds that swarm into Harrisburg for the Farm Show. The Bureau says it has received and made more room reservations in advance than for any other Farm Show in history.

Governor James H. Duff is to make two official appearances at the 1950 Farm Show. Before a capacity audience of 10,000 people he will formally open the agrarian classic on Monday evening, January 9, in the Farm Show coliseum. On Wednesday evening he will address the Pennsylvania Dairyman's Association, one of 32 state-wide farm organizations holding annual meetings here during Farm Show Week.

The program of Farm Show events include 120 officially scheduled meetings of agricultural associations, the judging of crops, livestock and poultry and their products, home economics displays and contests of various kinds. The contests include many in which participants are members of one of the three state-wide farm youth organizations—4-H Clubs, Future Farmers and Future Homemakers of America. Biggest day will be Tuesday with 39 separate events listed on the program. These features start with opening the doors to the 14 acres of building space at 8 o'clock Monday morning.

Extensive displays of farm machinery, all kinds of barn and household equipment, and supplies such as seeds, feeds, fertilizers, insecticides, nursery stock, all types of deep freeze and refrigeration units, kitchen and other appliances will be seen in the main exhibition hall and poultry show room.

The 1950 Farm Show will present the greatest number and variety of commercial exhibits ever seen at the annual exposition. Exhibitors purchasing space for the first time this year total 142.

This is the "big year" for women visitors at the Farm Show, the Commission declares. Many extra features of interest to farm and city women have been provided in commercial exhibits, also a "Rural Life Center" program all day Thursday. A record premium total is offered for cooking and clothing awards in the home economics department of the show.

Other new features this year, are addition of a class for geldings in the horse department and a division for Corriedale sheep in the sheep department. Hog exhibitors are pleased with a "non-skid" material added to the aisles in the swine barn to prevent animals from slipping and injuring themselves.

Another addition is a soundproof studio for the use of radio stations making recordings or direct broadcasts from the Farm Show. Nearly 100 such broadcasts were made at the 1949 show.

The livestock show will be the largest ever seen at any Farm Show, according to advance entries. In the total of 1,667 head are 95 horses, 555 dairy cattle, 259 beef cattle (including 10 4-H Club baby heaves and 129 open class fat cattle), 437 head of sheep and 321 swine. Entry of nearly 4,400 birds will make the poultry show one of the largest in the country.

Livestock and poultry now bring in 75 per cent of Pennsylvania farm cash income and advancement of these phases of the Farm Show are in keeping with their increased

**YOU MAY Lose YOUR Right to Drive!**

There's a new state law effective February 1, 1950—with teeth in it. It says that if your auto is involved in an accident—even if you're not to blame—you may have to prove financial responsibility up to \$11,000—or lose your driving rights.

The best way to prove financial responsibility is to own insurance now. You must have it before the accident. Farm Bureau auto insurance protects you completely against penalties of the new law. It's non-assessable, backed by \$40 millions in assets. It—

- ★ Protects your driving rights
- ★ Assures quick, fair claim service
- ★ Is exceptionally low in cost
