Of Trucksville Meets**

Children's Society of Christian Service of the Trucksville Methodist Church met at the Trucksville Grade School last Monday in charge of Miss Georgina Weidner, Mrs. John Dykman and Mrs. Willard Bullock.

An interesting picture of the new life of children of Japan was presented by the counselors. Japanese articles were displayed and the use of them explained to the children, who proved to be keenly eager to learn of customs of other lands.

The next meeting will be held at the same place on Monday, February 13 following the afternoon school session. All interested children attending the fourth, fifth and sixth grades are cordially invited to meet with the group.

Present Carol Davis, Carol Hemenway, Beverly Anderson, Helen Brodin, Kathline Richards, Marjorie Stookay, Lyda Jean Hughes, Lois Malkemes, Florence Billings, Emma Engler, Raymond Dymond, Lee Evans, Jackie Pritchard.

**STORE TALK**

School days are here again—Chas., Homer, and Art, attended the Allis-Chalmers School, visited the Baugh Fertilizer Plant, and saw the "Farm Show". All of us will attend the frigidaire school at "Phila". "Geo." will soon take off on a tour in search of better merchandise values. You'll find better variety, better service and better prices here in 1950.

"Frigidaire" is off to a good start in 1950 with top features on the electric range, the automatic washer and refrigerator—Latest features of the Atomic Age. You can get frigidaire.

Delta Electric Workshop tools are tops in entertainment for these spare winter hours. Table saws sell at \$36.95. Band Saw at \$39.95. Lathes at \$36.95 and Jointers at \$32.95. If it's Delta, it's right.

Glenn Zenger of the shop force recently finished a slick bathroom installation for "Ed" Young at Vosburg. You'll find us strictly in line on this material through our district factory purchase arrangement. Color if you desire.

Armstrong Linoleum is acknowledged to be the leader and far a head in patterns. You'll enjoy a visit to our second floor and a look at these new comers. Use our expert laying service.

Elmer Shaffer has been a busy boy these days at the warehouse with Oliver and Allis-Chalmers equipment rolling in. Just now he has time to do complete overhaul jobs on tractors, combines and other machines. If Elmer does it it's right.
