9:45 A.M.—Sunday School under the leadership of Superintendent Frederick W. Malkemes. There are classes for all ages. The pastor teaches the adult class of men and women.

7:00 P.M.—Luther League. The devotions are under the leadership of Miss Gail Woolbert. There will be a social hour following the devotional period. All teen-agers are cordially invited.

Residents of Beaumont who live along the Lake Hill Road are incensed that it is ashed only part way up on days when the road is slippery. This week some men who had to work in neighboring communities were unable to get down the hill.

Joe: "You can't run a successful farm unless your tools, machines and grounds are in tip-top shape. Here's my advice—on your way to town stop at G. Bulford's store and tell him your problems and he will be glad to advise you on what kind of tools, machines or parts you need to run a successful farm." Mike: "Thanks, Joe. I will do that tomorrow."
