Paul Shaver Injures Leg When Jack Slips

Paul Shaver is confined to his home by injuries received a week ago Tuesday when a screw jack with which he and others were attempting to raise his home flew out and hit him in the leg rupturing a blood vessel.

He was treated by Dr. J. C. Fleming and Dr. F. Budd Schooley. Full extent of injuries has not been determined from x-ray pictures.

Mr. Shaver was working in the basement with his son, Paul, Harold Brobst and Edwin Creasy attempting to level floors when the jack slipped causing his injuries.

Joint Board Proposed For Three Districts

(Continued from Page One)

said, would amount to the following: Dallas Borough, \$45,222.98; Dallas Township, \$91,722.40 and Franklin Township, \$21,075.04. Rental fees for the districts would total: Dallas Borough, \$5,295.25; Dallas Township, \$8,348.50, and Franklin Township, \$1,106.25.

Each of the districts, he said, would receive from the State a share of the rentals amounting to one-half of their reimbursement fractions times their own shares of the rental.

Reimbursements on rental to each district, he said, would be as follows: Dallas Borough, \$1,613.46; Dallas Township, \$2,874.38 and Franklin Township, \$441.78. This would mean net rentals of \$3,681.79 for Dallas Borough, \$5,474.12 for Dallas Township and \$664.47 for Franklin Township.

After presenting the plan, Mr. Teter asked for any questions from the Board members. There were several from various members which cleared up minor points, then Floyd Chamberlain, of Dallas Township Board suggested that since the plan would require the expenditure of money for additional elementary school rooms in Dallas Borough, it might be well to consider construction of one great central high school to serve all districts of the Back

Mountain area.

Mr. Teter replied that under the Joint Board set-up the elementary building in Dallas Borough and the High School Building in Dallas Township would be owned 50-50 by the joint district.

"In matters of education," said Mr. Teter, "it is well to forget any imaginary township or Borough lines."

Mr. Teter suggested that all three Boards prepare tentative budgets for the next two years taking into consideration the advantages to students and the saving of costs under a joint board plan as compared to individual boards and then come to a decision on his proposal.

Attending were: County Superintendent of Schools E. S. Teter; Assistant County Superintendent of Schools Wesley E. Davies; Dallas Township School Board, Donald Evans, Floyd Chamberlain, Stephen Davis, Thomas Moore, Daniel Richards, Raymond Kuhnert, supervising principal; Jonathan Valentine, solicitor; Dallas Borough School Board: Harry Ohlman, Lewis LeGrand, Dr. R. M. Bodycomb, David Jenkins, L. L. Richardson, Charles James, supervising principal; John Hessel, solicitor; Franklin Township School Board: John Parry, Tom Earl, Harold Lewis, Russell Race, George Dymond; Albert "Hub" Pesavento, Marty Walsh, George Prater, Fred Anderson, Clyde Faatz, Daniel Shaver, F. Gordon Mathers, Paul Mulcey, Francis Ambrose, Dav-

id Williams and Howard Risley. At the conclusion of the meeting a luncheon was served to the County Superintendent's staff and three school boards in the Home Economics Room.
