Girls Teams To Play For Title

Township, Borough And Laketon In Contests

Back Mountain League girls' basketball teams will play a series of playoff games this coming week, following a two-week enforced lay-off due to a misinterpretation of this season's regulations.

Dallas Borough will meet Dallas Township on a neutral floor to determine the first half winner. Following this Dallas Township will play Laketon, again on a neutral floor, for the second half championship. Then the winners of the two previous games will meet to finally determine the full season champion. This final game will be omitted if Dallas Township wins both of its contests.

Dallas Township has two victories to its credit over Dallas Borough, one a thrilling 27-26 triumph and has split one apiece with Laketon this season. The key game in the whole mixup was Kingston Township's 17-17 tie with Dallas Borough in the second half.

Local Cagers Entered In Rogers Tournament
