Five Schoolmen At Convention

Lester Squire, supervising principal of Lehman Schools; Raymond Kuhnert, supervising principal of Dallas Township; and George Taylor, supervising principal of Lake Township, accompanied by John B. Kennedy, superintendent of Kings-ton Borough Schools and Frank Dolbear, supervising principal of Tunkhannock, spent four days in Atlantic City attending the convention of the American Association of School Administration.

Fifteen group sessions dealing with current educational topics were held, with the members of the association free to choose the topic most interesting and most timely.

The fifteen hundred delegates were given the opportunity to meet Mrs. Franklin D. Roosevelt and Senator Smith of Maine, and were entertained by Fred Waring and his orchestra.

Meeting at Atlantic City at the same time was a convention of the National Congress of Parents and Teachers.

Delegates from this area were delighted to meet Fritz Hendricks, former supervising principal of Lehman, now principal at Millersburg.

The writer was favorably impressed with the delightful climate; the unusual trees, the gorgeous flowers and foliage in great abundance, that bedeck every nook and corner; and the outstanding hospitality of the southern people.

All in all, it was a very enjoyable trip, and we hope to go again at some future date.

St. Paul's Lutheran

9:45 A.M., Sunday School. This great organization of the Church meets every Sunday morning in order to gain an understanding of the wonderful truths of the Bible. It is only through the Bible that we can learn to know God. We can say then, the Bible is God's Word, which He inspired men to set down in writing, that we, and all ages, might know Jesus Christ for the salvation of our souls.

11:00 A.M. The Service. This devotional period will be another great event in the life of St. Paul's Lutheran Church. We have been richly blessed on the second Sunday of each month, since February, 1949, in receiving new members into our Christian fellowship. This day will be no exception. New members will be received. In addition to this rite of the Church, we shall have the honor of having with us the Reverend Charles M. Cooper, Ph.D. of our Philadelphia Seminary who will preach for us on the subject of Christian Higher Education. Dr. Cooper is a former teacher of St. Paul's pastor, the Rev. F. W. Mookck, Jr., holding the title of Professor of

Old Testament at the Philadelphia Seminary.

We should at this time say a word concerning this particular institution. The Lutheran Theological Seminary at Philadelphia is "to educate and train worthy and competent Christian men for the public ministry of the Gospel, especially in the Lutheran Church." It is an institution of the church, founded by the Church, supported and operated by the Church and for the Church. The Seminary recognizes that theology is not properly an end in itself, but rather an indispensable means to an end that far transcends it. Theology is the formulated knowledge of the truth which the minister of the Gospel has to preach and teach and apply to the hearts and consciences of men for their salvation and for their entrance into the kingdom of God.

It is hoped that every member of St. Paul's congregation will be present and bring along a friend or a neighbor to hear this great Lutheran clergyman.

7:00 P.M. A meeting of all youth of the Church. It is here that all teen agers gather in Christian fellowship for devotions and clean social fun. Plans are being laid by St. Paul's Luther League, for a play and strawberry festival.

Wednesday evening Services are held during Lent at 7:30 P.M. It is at these Services that we follow our Lord, Jesus Christ, from Jerusalem to the cross of Calvary.

St. Paul's Church is a working Church in a growing community in order to bring the Gospel to the individual soul. We claim that four continuous visits with us at our Services of worship will automatically bring you back for the Sundays following. Try it and see for yourself.

Last Sunday morning the Twenty-fifth Anniversary Committee met briefly to formulate plans for St. Paul's Twenty-fifth Anniversary. Future meetings will be held for our Congregational dinner on May 10, 1950. The Committee consists of R. J. W. Templin, Chairman, Charles Dressel and Newton Ness.
