**A. W. Sutton, 82
Will Quit Farming**

A. W. Sutton, now past 82, has decided to give up farming and sell his seven cows and farm equipment. Mr. Sutton has lived on the same farm, one mile from Lehman High School, for the past fifty years and until last year did most of the work on his 120 acres by himself. He did all of his fall plowing and plowed four acres of sod for corn.

He took his first vacation last February when he had a serious operation at Nesbitt Hospital.

The sale of equipment, cattle and horses will be held Saturday, April 15.

After the sale Mr. Sutton thinks he and Mrs. Sutton, the former Hannah Slife now 78, will take a well earned rest.

During their long life together they have had four children, Leslie, Lansford, Mrs. Ruth Jones, Mooretown, and Mrs. Edith Parry, Carverton.

DALLAS METHODIST CHURCH

Special Easter bulletins Sunday were presented in memory of Mrs. Ralph Brickel by Ralph L. and W. A. Brickel. Flowers and usher's boutonnières were presented by the J.A.B. Class also in memory of Mrs. Brickel. Other flowers included a lily presented in memory of Corporal Walter C. Wilson by his family and flowers from the funeral of Miss Addie Case, sister of Mrs. William A. Higgins of our church.

A capacity congregation overflowed the sanctuary and church school room. Mrs. Sheldon A. Mosier was received into membership, making a total of 86 members received this year, and 366 received during the past five years.

Dr. Schooley to Preach
Dr. F. Budd Schooley, distinguished member of our congregation, will be guest preacher at the morning worship on Sunday at eleven. Dr. Schooley will speak on "The Brotherhood of Man". The choir under the direction of Mrs. Ruth Turn Reynolds will sing MacFarlane's fine anthem, "Sing My Soul, The Saviour's Battle". Music on the organ will include, "Awake Thou Wintry Earth" by Bach; "Adagio" by Merkel; and "Finale Jubilante" by Lemmons.

Youth Fellowship
Methodist Youth Fellowships will meet at 6:30. Thomas Peirce will lead devotions. Both groups will unite in the discussion. Social hour in the homes will be resumed next week.

W.C.T.U. Meeting
W.C.T.U. will meet at Lehman Methodist Church Tuesday afternoon at two. Lehman group will be in charge of the program.

Mrs. Pryn to Speak
Women's Society will meet Tuesday evening at 7:30. Mrs. Austin Pryn, former pastor's wife and director of Religious Education, First Methodist Church, Wilkes-Barre, will be speaker. Devotions will be conducted by Mrs. C. J. LaBar. Japanese tea will follow. All women are welcome.

Brace Class to Meet
Brace Bible Class will meet Tuesday evening at eight. Attorney Robert Fleming is in charge. Bible Moments, weekly radio program by the pastor, will be broadcast Thursday morning at 8:05 over station WILK. J.A.B. Class will hold a covered dish supper Friday evening at 6:30. Husbands of members are invited. Mrs. J. Wesley Himmler is in charge.

News Of The Churches

At Conference

Z. E. Garinger and the minister are representing the church at Wyoming Annual Conference in Tabernacle Methodist Church, Binghamton. The Conference opened on Wednesday and will close Sunday night.

Board of Education Meets
Board of Education met in the church Tuesday evening. The superintendent and minister were appointed to study needs of the Church School for additional class room. This action was necessary because of our overcrowded Church School. Mrs. Fred Stevens was re-appointed Superintendent of the Church Nursery for children ages three and four years old. It was decided to make a separate department for children under three. Raymond L. Kuhner presided. Others present included Mrs. Raymond L. Kuhner, Mrs. William McQuilkin, Mrs. Edward Stair, Edward Stair, Lewis W. LeGrand, David Kunkle, and the pastor.

ST. PAUL'S LUTHERAN CHURCH
Sunday School, 9:45. The lesson for Intermediate, Senior and Adult departments is "Amos, the Prophet and His Program." There are classes for all ages and competent teachers are in charge.

11:00 A.M. The service. The Reverend Frederick W. Moock, Jr., pastor of the Church, will preach on "Definite Results of the Resurrection." Easter introduced us to the Risen Christ and on this Sunday we worship Him with all the gratitude and love that is ours. How much did Easter mean? Your answer can only be given with a worshipping congregation. We will look for you and greet you heartily.

7:00 p.m. Luther League. The devotions will be in charge of Peggy Malkemes. All young people are most cordially invited.

The Twenty-Fifth Anniversary of the founding of St. Paul's Lutheran Church is May 10. The members are asked to reserve this date on their calendar. A great time is in store for this gala occasion.

ALDERSON-NOXEN CHARGE
Church School will be held as usual in the Ruggles, Noxen, Alderson and Kunkle Churches. Because of the sessions of the Wyoming Annual Conference being held in Tabernacle Methodist Church, Binghamton, there will be no preaching services in the Noxen, Alderson or Kunkle Methodist Churches on Sunday. The Youth Fellowship will have charge of the morning worship service in the Ruggles Church at 8:45 a.m.

TRUCKSVILLE METHODIST

Loud speakers were utilized to accommodate the overflow crowd which attended Trucksville Methodist Church on Easter Sunday morning. Microphones were set up to carry the service to those in the basement and also to those outside.

There will be no church or Church School services held next Sunday, April 16th. A program of re-decoration is being carried on, and the pews have been removed from the sanctuary in order to refinish the floors. These are being stored in the Sunday School rooms, in order to give the varnish sufficient time to thoroughly dry.

Regular services will be resumed on Sunday, April 23rd, and re-dedication has been set for Sunday, May 7th, when the work both in the Sanctuary and on the parking lot is expected to be finished.

HUNTSVILLE CHRISTIAN

On Monday night of next week a tournament night will be held at the Huntsville Christian Church. Three alleys will be equipped for shuffle board and quoits. Ping pong, bean bag, darts and table and lap games will be played. Refreshments will be served. The invitation is general, especially to young people.

On Thursday night of next week the first of a group of special nights is planned at the church.

Work will be combined with pleasure and entertainment. Work will begin in late afternoon and continue until dark as people can offer their services. At dark a motion picture will be shown and an offering taken to help in sending young people to camps and conferences.

**April Meeting
Of Kunkle W.S.C.S.**

Kunkle W. S. C. S. met Wednesday night at the home of Mrs. Anna Weaver, with Mrs. Oliver Ellsworth as co-hostess.

A New Self-Propelled

BY MASSEY-HARRIS

**SEE THE 8- AND 10-FOOT
MODEL 26**

all the advantages of
self-propelled design
plus MASSEY-HARRIS proved
combine construction.

Here's fast, dependable harvesting—a new better-than-ever Massey-Harris Self-Propelled... the Model 26.

It's a streamlined husky powered by a big 217 cubic inch engine. That's plenty of "go" to take soggy or rough fields in stride. And there's a world of speeds—anything from 3/4 to 6 1/4 m.p.h. Controls are at your fingertips... the field in full view. The electrically controlled auger table makes a lower cut possible... you choose the height... just flip the

switch. And don't forget the advantages of self-propelled. You save more of your crop, buy fuel for just one engine, operate the combine alone.

What's more, you take off your crop in record time with more and cleaner grain in the bin. The result of Massey-Harris straight-thru design, balanced separation, rasp-bar cylinder.

Make a date to see us soon about the new Massey-Harris 26 Self-Propelled.

**for MORE MILK, MORE MONEY—
Raise Your Calf Without A COW**

When you raise your calves on Calf Startena instead of milk you have more milk to sell. That's because each 100 lbs. of Calf Startena replaces 40 gallons of milk. And Startena helps calves become big, sturdy, dairy-quality heifers.
