The opening of the new

O'MALIA SCIENTIFIC FUR STORAGE VAULTS

With Controlled Humidity

THE LARGEST AND MOST MODERN IN WYOMING VALLEY

Located on the Harvey's Lake Highway at the entrance to the Back Mountain Area

Capacity 10,000 Garments

Built for the Women of This Locality to Give Them

CONVENIENCE— Back Mountain residents can drive in now and get immediate storage. Your coats can be obtained in two minutes if you come to the Scientific Fur Storage Vault or if you telephone you can have your coat delivered the same day.

BETTER FUR STORAGE— The Largeness of the O'Malia Scientific Fur Storage Vault means more room for your coat with plenty of cold air surrounding it at all times.

FUR ELECTRIFYING— Exclusive With O'Malia—the only Fur Finishing machine of its kind in this region. Your coat will look and feel better than new.

Cleaning • Glazing • Repairing • Remodeling

By A Master Furrier With 17 Years Experience

Your coat is insured at all times against fire and theft
