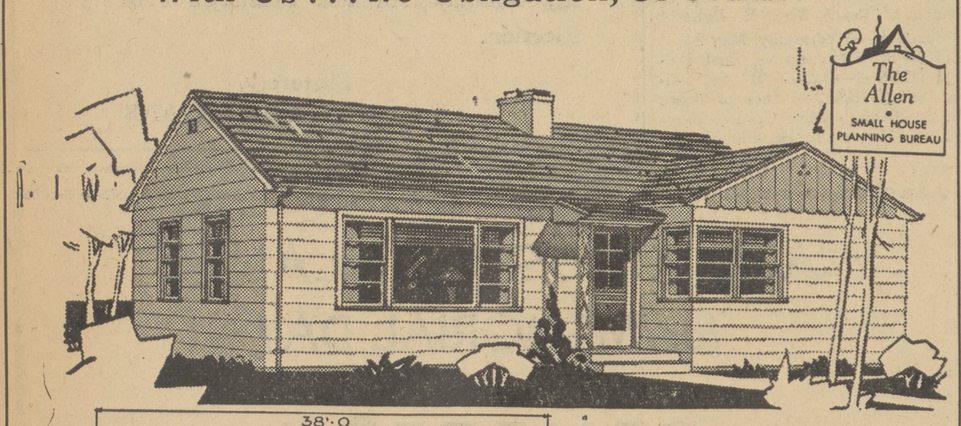
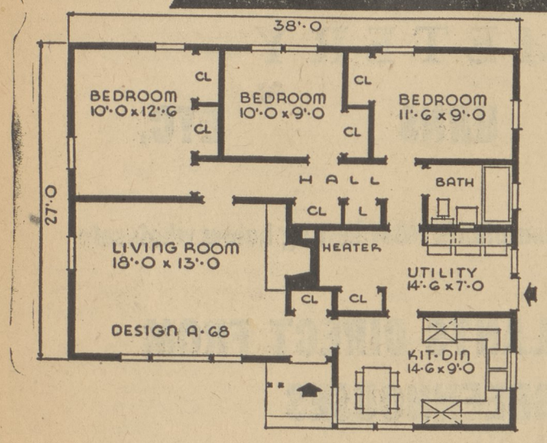
WHITESELL BUILT HOMES are honor built----

Talk Your Building Problems Over With Us . . . No Obligation, Of Course.





THE ALLEN is basementless, with the floor slab, easily adaptable to linoleum or other composition flooring, laid directly on a gravel fill. The heating plant and laundry equipment are in a utility room which replaces a basement.

Plumbing, for the bathroom, and laundry equipment is in the same wall. Location of the fireplace makes the same chimney available for the heating unit.

Storage space is liberally allowed for in The Allen. Wardrobes are provided for in each of the three bedrooms, and closets are planned for the front entrance and utility room. A general closet and linen cabinet are in the bedroom hall.

The exterior walls are shown to be of frame with wide siding. But, concrete blocks can be used as a substitute. The roof is covered with asphalt shingles.

The kitchen of The Allen is modern with cabinets and equipment arranged in a U-shape. The sink is under the window and the refrigerator and range are completely built into the cabinets.

Dimensions of The Allen are 38 feet by 27 feet with an area of 1,110 square fee and a volume of 13,320 cubic feet.

All our homes constructed to meet F.H.A. or V.A. Requirements

Former Teacher Laid At Rest

Andrew M. Hontz Is Buried Near School

By Ralph Rood

The many friends of Andrew M. Hontz were saddened but not surprised to hear of his death, which occurred at 6:30 Monday morning in General Hospital, where he had been a patient since May 3.

Born May, 1877, at Sweet Valley, the son of Andrew and Polly Anna Shaw Hontz, he had always made his home in that vicinity.

A sister, Mrs. O. S. Sutliff, Huntington Mills, a brother, John P. Hontz, Sweet Valley, several nieces and nephews are his survivors.

Mr. Hontz received his first schooling in the one room building known as the Cramer Hook School, Ross Township.

Leaving that one room school, he attended Pleasant Hill Academy, a private school, at that time conducted by Prof. Evan B. Beishline.

He taught for several years under Provisional Certificates issued by County Superintendent.

Later he attended Indiana State Normal School and Grove City College.

After teaching forty years in the Public Schools of the County, he retired about ten years ago.

Andrew, as we all knew him was of a quiet, unassuming disposition, a good neighbor, a dependable friend.

Other than teaching, his chief hobbies were hunting, fishing and gardening. In his garden we found not only vegetables, but plenty of strawberries and raspberries. His principal hangout for fishing was "Grassy Pond."

We have sat many hours in a boat with him on "Grassy". If he would lose a fish he would smile and say, "Well, I lost that one. Must go after another."

A teacher of an adult Bible Class for many years in the Church of Christ Sunday School, of which Church he was a faithful member, and deacon.

He had been a member of Sweet Valley Lodge, I.O.O.F., for many years.

Some months ago he was a patient in General Hospital, his condition improving, was removed to the home of his niece, Mrs. Albert Herring, Huntington Mills, where he had made his home until his removal to hospital about two weeks ago.

Funeral services were held yesterday afternoon from the funeral home, Sweet Valley, with additional services in the Church of Christ, conducted by Rev. E. J. Waterstripe assisted by Rev. William Price, pastor of Huntington Mills Methodist Church.

Interment was in Broadway Cemetery, along side of the Broadway school house where he was a former teacher.

Pallbearers, nephews of the deceased were: Almon and Elmer Birth, Stanley, Carl, Howard, and Arthur Hontz.

Lions See "Movies"

Three short educational movies were shown at last Wednesday's meeting of Harveys Lake Lions Club at Brokenshire's Hotel.

President Calvin McHose appointed Llewellyn Williams to head the nominating committee, and delegates were chosen to attend the State Convention at Nittany Lion Den, State College.

Lions will give Boy Scouts of the Lake and Noxen an outdoor party, place and date to be announced.

Plans for fund raising for aid to children, assistance to the blind, and community projects were discussed.

Rosebreasted Grosbeak

Doc and Louise Rutherford found a rose breasted grosbeak feeding on their sun flower seeds this week. They didn't know whether to hope it was a scout that would bring back a flock or to shoo it away, since it seemed to be as avaricious as its yellow cousins. And sun flower seeds are mighty scarce at this point!
