

Merritt Drug Store Opens This Week

Carl Merritt has unofficially opened his new drugstore adjacent to the Acme Market. Installation of fixtures and equipment is not yet finished, so the store will not be open for day-long business; but when Mr. Merritt is on hand he will wait on customers.

Mr. Merritt will specialize in compounding prescriptions. Limited space eliminates a soda fountain or a lunch counter, so this is a drug store which will handle drugs with very few side-lines, though packaged ice cream and candy will be carried.

Mr. and Mrs. Merritt built a house in Goss Manor last year in anticipation of a move from the former location in Forty Fort where the Merritt drug store has been in operation for twenty years.

As the life of a druggist takes into consideration very few vacations, the Merritts determined to have a good one while business was necessarily interrupted. They have covered territory in fifteen states during the past month, from Virginia to Florida and west to Wisconsin, picking up a magnificent coat of tan in the process.

Carl Merritt's father before him, Henry Merritt, was also a druggist, located in Plains. Carl was associated with him before moving to Forty Fort, where he took over premises vacated by Edward B. Hall, now located in Shavertown.

Mary Weir Hostess To Auction Refreshment Stand Committee

Members of the refreshment stand committee for the fourth annual Library Auction on July 7 and 8 will be the guests of Mary Weir, chairman, at a buffet supper at Goodleigh Farm Wednesday evening, May 31, at 5:30.

Assisting Miss Weir as co-chairman of the committee are: Mrs. Milford Shaver and Mrs. Dan Rob-inhold. Committee members are: Mrs. Ross Lewin, Mildred Devens, Mrs. Harry Ohlman, Mrs. Floyd Chamberlain, Lettie Culver, Mrs. John Yable, Mrs. Charles Lee, Mrs. Paul Goddard, Mrs. Robert Van Horn, Mrs. Jonathan Valentine, Mrs. Michael Strub, Mrs. Harris Haycox, Margaret Hutchison, Grace Richardson, Jean Richards, Patricia Reynolds, Evelyn Eck, Mrs. Alva Eggleston, Doris Brobst and Muriel Garinger.

Each member of the committee will bring a covered dish and after supper there will be a general discussion of plans for the enlargement and improvement of the refreshment stand this year.

Many more names will be added to the committee so that no one will have to spend more than one and a half to two hours on duty at the stand during the auction.

Wild Dogs Run Deer

Game Commission Warns Owners of Fines

The Pennsylvania Game Commission through its Division office at Forty Fort reports an increase in the number of dogs running at large in forests. Deer have been driven to the point of exhaustion and some have been killed by these half-starved brutes.

Some of these dogs are homeless, half-wild creatures that have been abandoned by indifferent owners. Others are dogs owned by persons who are neglecting their responsibilities.

They are a menace to wildlife and must be removed, according to information received from Bill Hodge, Wildlife Protection Assistant Division B. Field officers of the area have intensified their efforts all along the line, Hodge said.

These sections provide penalties from \$10 for a dog pursuing small game to \$25 and \$50 for pursuit or injury to deer or elk respectively.

Many dogs put on an entirely different character in the woods, alone or with other dogs, from the one they wear while at home. The perfect child's pet and companion may become a blood-thirsty killer by merely crossing a highway.

The Commission office advises that residents of this Division may avoid having their dogs destroyed and themselves inconvenienced by prosecution if they accept the responsibility which is theirs under the law—know where the family dog is at all times.
