## and the right way to build is with LUMBER

Wood... America's favorite building material... has earned its reputation through its beauty, adaptability, warmth, strength, and individuality. Wood is easy to use and sound building practices have evolved through craftsman's familiarity with it.

May we show you how wood is right for a home built especially for you... to incorporate ideas best to serve the needs and comforts of individual family members... to permit hobby riding and flair for color... to emphasize hospitality? Your home of wood will be a credit to the neighborhood... a credit to you.
