Watch Out If You Have a Farm Pond

Technicians assisting the Susquehanna County Soil Conservation District are receiving frequent inquiries about owners' rights and liabilities when a pond exists on the farm, and J. H. Schooley, assistant District Conservationist has replied as follows:

When State hatchery fish have been furnished a pond owner, the owner is not permitted to post his pond against fishing. When Federal hatchery fish have been furnished for stocking a pond, the owner can post his land against trespassers and by so doing can prevent fishing in his pond.

Trespass signs or fenced-off ponds do not protect the owner against liability that might arise in case of

Orange Rally Wins in Ninth

Defeats E. Dallas
12-11 In Slugfest

Orange took the measure of East Dallas 12-11 Sunday in an old-fashioned slugfest which saw a total of 32 hits batted out by the two teams. Warren Sutton went the route for East Dallas and was the victim of a 13-hit Orange attack while he fanned six and walked four. J. Smith, Gardner and L. Evans handled the mound duties for Orange. East Dallas amassed a total of 19 hits and two walks against the three Orange hurlers.

Orange scored its winning runs in the last of the ninth with the score 11-9, East Dallas' favor. Bellas and Kunkle started the inning with two straight singles, Evans flied out, following this Larry Brace evened the score by driving in Bellas and Kunkle on his hit. Brace then scored the winning run on Gardner's hit, the fourth of the inning. Orange scored six of its 12 runs in the eighth and ninth innings on six hits and four errors as the laxness of the East Dallas defensive play paved the way for Orange's victory.

Brace led the Orange batters with three hits with Bellas, Kunkle, and Gardner getting two apiece. East Dallas had seven players with two or more hits with Russ Muchler, Art Bellas, Harry Hughey, and Tex Wilson knocking out three each. Howard Garbutt, Stanton and Wilson had the extra base hits for East Dallas, while Evans had the lone double for Orange.

Good Fishing at Reservoir

Many sportsmen are making fine catches of bullheads and perch at Huntsville Reservoir. Some of the bullheads taken have weighed from four to five pounds. Fishing is permitted from sunup to sundown on the Dallas side. Permits must be obtained from the water company. Frequently there are as many as a hundred fishermen along the shores during early evening.

death due to drowning. It does not make any difference whether permission to swim was given by the owner or not. Landowners having ponds may protect themselves by making sure their liability insurance covers their ponds.

DALLAS A. C. TRIMS VERNON

Dallas AC jumped on the victory wagon again with a narrow 4-2 win over Vernon Sunday on Dallas Township Memorial Field. The game was strictly a pitcher's show all the way with Jack Fiske, Dallas hurler, coming out on top, only six hits, fanned four, and with almost perfect control didn't allow a walk until two men were out in the ninth inning. Harding, the Vernon pitcher, was nicked for seven hits, two of them doubles, walked two, hit two batesman, and struck out two.

Glen Roberts returned to his hitting stride batting in three runs with a double and a single. Harry Grose, also with a double and a single and scoring twice, and Ken Grose, with two singles, shared the Dallas spotlight with Roberts. Dick Wallace had the remaining

Dallas hit. Defensively it was all Ken Grose, who handled twelve chances in the field flawlessly with only one error on a throw in an attempted double play. Aided by a heavily blowing wind which held the ball back, Grose repeatedly went into short center and right to pull down what appeared to be certain hits.
Kuzma was the only Vernon batter to solve Fiske's offerings as he had a double and two singles in four trips to the plate. Vernon's outfield turned in spectacular work with Gula robbing Jim Knecht of extra bases on a well tagged down the left field line in the second; Faux hauling down a drive to the center field fence by Fiske in the sixth and Kaskas making a beautiful one-handed running stab and somersault on Ken Grose's Texas Leaguer in the seventh.
