Buys Agency

ROBERT O. HALE

Robert O. Hale, Kingston, has purchased the George Turn Insurance Agency, with offices in the Himmler Theatre Building, Dallas, from Mrs. George B. Turn of Shavertown, and will continue to operate there a fire, life, casualty and general insurance business.

Mr. Hale, the son of Mr. and Mrs. Raymond O. Hale of Kingston, has been in the insurance business since his return from military service in 1946.

He is a graduate of Kingston High School, Wharton Extension School of the University of Pennsylvania, and Pace Institute, New York City.

During the war he served thirty-eight months in the Pacific Area with the rank of Lieutenant.

He is a member of Kingston Lodge No. 395 F. & A.M., Caldwell Consistory, Irem Temple and Franklin Club.

His wife is the former Rachael W. Williams of Wilkes-Barre.

YOU KNOW ME

(Continued from Page Six)

One of our kids was with Patton in Germany, two others were leaping from island to island in the Pacific with MacArthur. We were going through hell with millions of other parents. We knew that two million American kids were being alerted to land in Japan. We read the casualty lists and wondered when it would be our turn to learn the worst.

Worry? Well, it gets past that after awhile. One goes into a hell of despair. When is it going to happen? When is it going to happen? People ask about the boys and you answer them without knowing what you say. You know from their look that you have said the wrong thing, but you just can't remember what answer you gave. You dread going home at night for there are the papers and the radio—then it happened—an atomic bomb dropped on Japan, then another. Dare we hope that it meant the end of the war? Would we get our kids back alive and safe? Was it possible they wouldn't have to land in Japan?

Selish? Of course we're selfish—we wanted our kids back. The horror of the number of Japanese killed and maimed didn't enter our head. We still are selfish. We believe that if the leaders of our country think it necessary to go to war with Korea and in that process use airplanes, shells, bayonets, flame throwers, and bullets, we think it is proper to use everything we have. If that is wrong then it is wrong to war with any weapon.

Horrible, you say. Of course it's horrible, but war is not a picnic to the kids that get in it. We want to keep our own home.

Shavertown Wins Close Game Marked By Great Pitching

Leadership of Back Mountain League Tied by Shavertown and East Dallas

Shavertown tied East Dallas for the Bi-County League with its thrilling 2-1 ten-inning victory Sunday on the East Dallas diamond. Ralph Anthony, Shavertown, and Warren Stanton, East Dallas, pitched superb ball with Stanton allowing but two hits, all singles, throughout the ten innings.

Anthony fanned four East Dallas batters and had the remainder popping up. Only three fly balls were hit to the outfield. Stanton, in his best performance of the season, pitched like a seasoned veteran, striking out fourteen men, recording at least two strikeouts in every inning except the first, sixth and tenth and having only two balls hit to the outfield. Credit goes, too, to the catchers who handled the hurlers, Fred Stevens, and Milt Lutsey, whose judgement played a big part in the pitchers success.

With both the runs in the 1-1 ball game unearned, it was only fitting that the winning run would come via the same route as there was little hope that any runs could be batted in with both pitchers in top form. Stanton walked Cairns to start the tenth, and Gordon stepped up to bat for Kitchen when on the second pitch Cairns lit out for second and was safe when Stevens' throw went high into center field. Cairns then broke for third and scored on Phillip's error in fielding. The bad throw thus made this run triply unearned as every base gained was on misplays.

It was strictly a pitching day and this fact was easily observed with only Pesavento and Joe Tondora, East Dallas, having any success at the plate. Pesavento accounted for the two lone Shavertown hits and was robbed of a third when his hard drive through the box bounced off Stanton's foot right into the hands of Tondora for an easy putout. Tondora with two hard-hit singles was the only batsman to solve Anthony's "blooper" pitch.

RBI—None. Extra-Base Hits—None. SO's By—Anthony 4, Stanton 14. Walks by—Anthony 1, Stanton 4. Balk—Anthony. Hit batsman—Stanton. W.P.—Anthony. LP—Stanton.

Harry J. Culp Has Tragic End

Takes Own Life On Heitsman Farm

Harry J. Culp, 78, took his own life Monday morning in his room on the Frank Heitsman farm, North Moreland. Mr. Culp had been in ill health for some time, and added to this were the circumstances that he was considering moving from a place which he had thought of as home for ten years. It is felt by the Heitsmans that he might have been depressed by the thought of leaving.

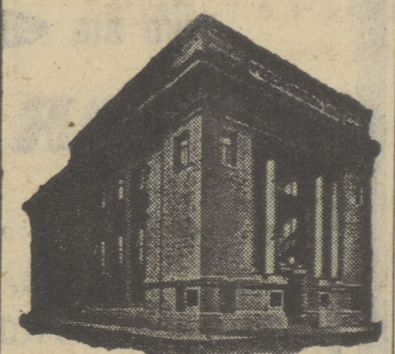

A shot was heard by the family at 9:30, and the tragedy reported to State Police and Wyoming County coroner, Ralph B. Sheldon, Tunkhannock. The coroner found that the deceased died by own hand, the instrument a 12 gauge shotgun.

Mr. Culp lived on Lehman avenue, Dallas, for some years. His wife, the former Gertrude Miller, Broadway, died ten years ago. There were no children.

He is survived by a sister, Mrs. Lillian Reed, Wilkes-Barre, and two brothers, Milton J. of Huntsville, and Oscar, Dallas.

Private funeral services were held from the Brickel Funeral Home, Dallas, Wednesday morning. Rev. Charles Frick officiating. Interment was in Huntsville Cemetery.
