# BOWMAN'S RESTAURANT

INVITES YOU TO ATTEND ITS FORMAL OPENING

**SATURDAY, JULY 22nd**

ARLEAN T. BOWMAN

*A Message from Mr. and Mrs. Bowman*

It has long been Mrs. Bowman's and my dream to give the Back Mountain Region a restaurant worthy of the community. A place where patrons would be proud to meet their friends, where families could gather for Sunday dinner, or where parents could allow their children to come evenings for a coke with the assurance that they were in good company. We wanted a place where women could drop in during the late afternoon and enjoy a relaxing moment in an atmosphere of refinement. We hope we have achieved that goal. We extend our cordial invitation to you to attend our opening on Saturday and to make Bowman's your headquarters for good food away from home.

The spacious dining room with its green leather booths and individual tables for family groups, has indirect fluorescent lighting. The decorative scheme is restful with quaint wagon wheel lighting fixtures adding to the pleasant atmosphere.

A part of the spic and span, daylight kitchen equipped with the most modern gas and electric cooking and refrigeration equipment for preparing and serving delicious food.

At this beautiful soda fountain, trimmed in knotty pine, patrons can obtain counter service of steaming hot meals, refreshing beverages, or delicious sundaes made from famous Dolly Madison Ice Cream.

*You can be proud to meet your friends at Bowman's*
