## Poet's Corner

REFLECTIONS IN THE SKY

Of all the things  
That I like best,  
Is to see the sunset  
In the West.

There is no artistry  
That can compare,  
With God's great Picture  
In the air.

Each day I look  
The picture's new,  
It changes just  
Like humans do.

Some times it's very  
Bright and gay  
Just like we all  
Feel when at play.

And as its colors fade  
From view,  
It's then we feel  
More sad and blue.

It keeps us close  
As loved ones roam  
In this cruel war  
So far from home.

It seems to say  
God will take care,  
Of those on land  
And sea and air.

They too can see this  
Picture great  
Who no one else  
But God can make.

We hope and pray  
The day is near,  
If it's God's will  
To paint "All Clear".  
—Mrs. Paul M. Winter.
