Winner of Kunkle Fire Department Chevrolet was Mary Davis, 64 Anthracite Street, Wilkes-Barre. Shirley Ann Coon Enters Wellesley

487 Freshman Report For Classes Wednesday

Miss Shirley Ann Coon, daughter of Mr. and Mrs. John Coon of Overbrook avenue is among the members of the second largest freshman class to enter Wellesley College in its 76-year history. The 487 Wellesley freshmen, who arrived on the campus on Wednesday, narrowly missed the record established by the Class of 1922, which entered Wellesley with 492 members near the end of World War I.

From Wednesday through Friday the freshmen learned their way about the 400-acre campus, with the aid of "Ask-Me's", upperclassmen who returned early to serve as guides, and became oriented to college life. Their parents were entertained at an informal reception on Wednesday afternoon by Miss Margaret Clapp, president of the college.

Among the events planned for the freshmen was an assembly on Thursday morning at which Miss Clapp presided and Miss Lucy Wilson, Dean of Students, Miss Ruth H. Lindsay, Dean of Residence, Miss Mary E. Chase, executive vice president, Miss Jeannette McPherlin, Dean of Freshmen, and Miss Lowerre Harding, president of the College Government Association, spoke. The freshmen also attended open houses of college organizations, and on Saturday night a campus vaudeville show describing in a light-hearted way the work of these organizations followed picnic supper parties.

The entire college will assemble for the first time on Saturday morning. At this time a formal academic procession will be held, and academic honors for the preceding year will be announced. Classes will begin on Monday, September 25.

Lois Kiefer of Shrineview is a member of the sophomore class at Wellesley.
