

Church League Officers Named

Seven Teams Entered For Current Season

Back Mountain Church League held its second meeting Thursday evening at the Dallas Post. President Don Clark presided as the league began to shape up for the opening date on December 2. Remaining league officials were elected. Officers elected were Bob Shoemaker, Trucksville Methodist, vice-president; Harold Fritzes, Mt. Zion, treasurer; and Al Hawk, Shavertown Methodist, secretary.

Plans were drawn for a final meeting to be held on Thursday, November 23 at the Dallas Post at which time entrance fees and

Lehman Scotties Are Favorites Over Injured Dallas Redskins

Tomorrow afternoon Lehman Scotties and Dallas Township Redskins clash for the much sought Golden Football Shoe emblematic of Back Mountain football supremacy. The prize was won last year by a strong Lehman team which just defeated an inspired Dallas Township eleven 7-0 in one of the better played games in Back Mountain history. Lehman had previously overwhelmed Kingston Township 27-7. This year's game will be played at Lehman.

Although Dallas Township has won more games, Lehman is a slight favorite due to its stronger showing. Another deciding factor will be that three varsity players are riding the bench for Dallas Township due to injuries. The Scotties will match the running of Nuss and Graham and the strong aerial work of Graham, Kern and Wojciechowski against the hard-running attack of Creamer and Williams for the Redskins with the passing of Sutton always a threat.

Lehman has again eliminated Kingston Township from the running with an early season 13-0 triumph. Both coach Bob Thomas of Dallas Township and coach Tony Marchakitus of Lehman will have their charges in top condition for tomorrow's contest.

KT Entertains West Pittston
Kingston Township entertains West Pittston on the Trucksville gridiron tomorrow in search of its first victory of the season. The Katies will be the underdogs against the tough Green and White, but the aerial combination of Richards and Pesvanto may spring a surprise.

Tigers Continue Winning Streak

Shaw Romps Through Black and Gold Line

The powerful single-wing attack of Tunkhannock's Tigers proved too much for Kingston Township Friday night as it bowed 13-0 on the Wyoming County eleven's gridiron. Playing before one of the largest crowds in its history, Tunkhannock unleashed a vicious running attack featuring Charlie Shaw and Ken Howell to gain its fourth triumph of the year. Kingston Township was trying for its first victory.

Tunkhannock scored first in the second period when Shaw intercepted a Katie pass and raced thirty yards. Shaw again tallied in the third period when he rounded the end for eight yards on a sustained drive following the second-half kickoff.

Tunkhannock has now defeated both Lehman and Kingston Townships and needs only a victory over Dallas Township on November 3 to make a clean sweep of Back Mountain opposition.

Shaw again outstanding player on the field for Tunkhannock as he constantly carried for damaging gains. Bob Gordon starred defensively for the Katies while Jack Richards turned in a fine performance for the Orange and Black.

Geese Flying South

A large flock of wild geese passed over Dallas Sunday night at 8:30, another yesterday at 12:30. From now until late in November the flying wedge will be seen in the sky.

Redskins Take Costly Victory

Bellas and Lancio Sustain Injuries

Dallas Township gained its fourth victory of the year with a 13-0 trouncing of Factoryville but the triumph is likely to have cost more than it was worth.

The Redskins lost the services of stellar halfback Bob Bellas, who teamed with Al Creamer for the Dallas running attack, and end Jack Lancio who anchored the defensive line. Bellas suffered a broken collarbone and probably will be out the remainder of the season while Lancio sustained a painful muscle injury which will sideline him for awhile.

On the bright side however, was Al Creamer's brilliant single-handed performance as he scored all Dallas points with a beautiful exhibition of broken-field running. Creamer scored the last touchdown when he cut off-tackle on his own 12-yard line and sped all the way for an 82-yard touchdown jaunt with the entire Factoryville team strung out behind him. The Redskins left the field with a scant 3-0 halftime lead on a second period pass from Sonny Sutton to Creamer which covered thirty yards.

The Redskins started rolling in the second half to score twice. The first paydirt parade came after a long downfield march ended in a touchdown on another Sutton to Creamer aerial covering fifteen yards. A Sutton to Creamer pass accounted for the only extra-point made by the Redskins. Creamer finished the scoring for the afternoon with his long 82-yard scoring run.

Bishop, T quarterback for the Red Rams, kept Dallas on its toes with a nice exhibition of pinpoint passing, while Dan Covey and Simons handled most of the ground chores for Factoryville.

The Redskins line played tip-top ball in holding the inexperienced Factoryville backs with substitute end Vavrek doing a bangup job on the flank.
