YOU KNOW ME BY Al, Himself

We read with some dismay in a boxed article on page one of this paper last week that "Russell Honeywell, the likeable Dallas cop, needs help from his friends and neighbors. Not money, but something far more precious; eight pints of blood."

You probably know that Russ was operated on last Tuesday at Barton Memorial hospital in Philadelphia. The article in the Post went on to state that "the Red Cross Bank, released eight pints for his use, with the understanding that the blood will be replaced."

So Mrs. Honeywell rushed about to get eight persons to re lace the blood, this seemed to us unfortunate. Mrs. Honeywell was worried enough with other things. So many of us had given blood when Mrs. Edna Kiefer, chairman of the Back Mountain blood donor committee got eighty-four of us only last week to donate a pint apiece through the Red Cross bloodmobile. Surely, if these eighty-four had known that Russ would need blood so soon all would have said "give it to Russ."

So we started asking questions. "Oh!" we were informed, "If Mrs. Honeywell does not get eight donors to replace the blood, she will have to pay \$200 to the Red Cross."

Now, we have always admired the Red Cross. Oh! we have heard ugly stories, but we passed them off the same as we do when some one criticizes our government or our neighbors or any one who is trying to do his best, but this story we felt should be traced down. What's the use of these bloodmobile visits if the Red Cross is going to make money on it?

We accosted Harry Ohlman, last year's blood donor chairman for the Back Mountain, and asked: "How come?"

Harry was busy examining a little wagon that Bob Jackson had made. Without looking up, he murmured, "No one has to pay the Red Cross for blood from the bank." It was stated in one of those "please go away from me bored tones" that gave the questioner a clear idea that Mr. Ohlman was tired answering that idiotic question.

We phoned Mrs. Honeywell. "Oh, yes," she answered, "I have to pay \$25.00 for each pint of blood."

"To whom?" we asked. "To the Barton Memorial Hospital at Philadelphia where Russell is being operated on," replied Mrs. Honeywell.

We explained, of course, it would have to be paid for if our blood bank had not released the amount needed to the hospital, but as it had, she would not have to pay one cent.

Mrs. Kiefer, was more explicit than Harry. Perhaps she hasn't yet been annoyed enough denying the same silly rumors over and over. After emphatically stating that the blood was without charge, she explained that the Red Cross naturally would like to have it replaced as it is needed in so many other places... our boys in Korea for instance... but if it can't be replaced it is still given as freely as we give it when we walk up to the bloodmobile.

Well, that's that. Let's go on to the next rumor.

We mustn't expect everybody to believe the truth. We read a story one time about a man who was nailed to a cross almost twenty centuries ago because He told the truth. "Ye shall know the truth and the truth shall set ye free." Many of us just love to remain shackled.

Scotties Win 32-13 Victory Over Wilkes-Barre Township

Lehman Scotties wound up the 1950 football campaign with a smashing 32-13 victory over Wilkes-Barre Township. Lehman was in charge all the way and could have run up a tremendous score barring loose play and fumbles. Wilkes-Barre Township also had an acute case of fumbleitis, handling the ball as if it were a hot potato, and slinging it away every time they touched it.

The lopsided triumph was the Scotties fifth victory against two defeats. Coach Marchakitus' eleven ran up a total of 119 points to its opponents 47. Top scorers were Jack Graham and Ron Nuss in the backfield with ends Dick Kern and Wojciechowski on the receiving end of a number of Graham touchdown passes.

A Good Season

Lehman's only losses came at the hands of Tunkhannock and Moosic. Tunkhannock's strong undefeated team had trouble taking the Scotties 13-6 while Moosic upset an overconfident and injury-ridden squad 21-0 to mar the otherwise good record. Included in the five triumphs were wins over Kingston Township and Dallas Township which gave Lehman the undisputed Back Mountain football championship and the "Golden Shoe".

Ron Nuss, speedy Lehman back, was the big gun in Saturday's victory. Nuss scored three touchdowns, once on a 40-yard off-tackle slice, once on a 45-yard

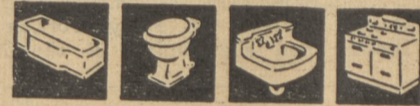

runback of an intercepted pass and finally on an end sweep in the last quarter. Sandwiched between Nuss' scoring was Graham's 40-yard end run in the first quarter for a touchdown and a Graham to Kern aerial department. Wilkes-Barre Township completed five out of ten passes compared to the Scotties two out of thirteen. Lehman doubled Wilkes-Barre Township in first downs, eight to four.
