

Rev. Reinfurt Selected to Speak

Revised Standard Bible Publication Date 1952

Rev. Frederick W. Reinfurt, has accepted a place on the speaker's bureau for the Revised Standard Version Bible Observance in the fall of 1952 from September 20 to October 5, when the entire Revised Standard Version of the Bible will be published.

Mr. Reinfurt will be available on the special day of the celebration, Tuesday, September 30, 1952, for speaking engagements within a radius of 500 miles, according to the announcement made by Dr. Harold E. Stassen, president of the University of Pennsylvania, who has been president of the Inter-

national Council of Religious Education since 1942.

The Council is making extensive plans for the observance. This will include mass meetings in 3,000 communities in the United States and Canada. Completion of the Revised Standard Version of the Bible will mark an epoch in the religious life of the English-speaking peoples comparable to that marked by the issuance of the King James Version in 1611.

Want A Nice Dog?

A little black and tan female dog has wandered to the home of Verna Sheehan, Huntsville Road, where she has fed and cared for it for two weeks. The owner or any one who will give it a good home may have it. It is housebroken, happy and affectionate, but Mrs. Sheehan would like to have a wirehaired terrier like her own terrier that was killed some months ago.

Landowners and business men of Northeastern Pennsylvania should earnestly encourage this kind of conservation throughout the area. Far too little of it is being done. Everybody would gain if all timber were properly handled.

Due to the increasing amount of misleading advertisement, we'd like the following made clear to every one:

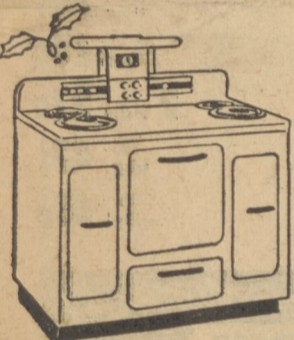

Every article we advertise and sell will, as in the past 43 years, be brand new, first quality merchandise.

We never did and never will sell repossessed, promotional, rebuilt, or refinished merchandise. Remember, because it looks shiny and is advertised cheap, it doesn't mean a thing.
