

News of the Churches

The Dallas Methodist Church

Two identical Thanksgiving Services will be held in our church on Wednesday evening at seven thirty o'clock and on Thursday morning at ten o'clock. These services are arranged so that all of our members and friends may have an opportunity to attend a Thanksgiving Service of Worship. A cordial invitation is extended to those not worshipping elsewhere to worship with us.

Continuing the Advance of Christ and His Church emphasis on the world church, the minister will speak on, "The Living Word for a Dying Age", in the Sunday Morning Worship Service at eleven o'clock. Special music will be presented by the organ and choir. Mrs. Ruth Turn Reynolds is organist and director of choir. Visitors are always welcome.

"How Does Giving Money Enrich our Christian Living?" is the theme of the international lesson series and will be studied by the Brace, Franklin, and Brickel Classes in the Sunday School at ten o'clock. The Durbin Class will continue the special Bible Study Course which is a six year course specially designed to give a thorough orientation in the Bible. Courses graded according to the ages of the pupils are taught in other departments. Children are

invited at the age of three and above.

The Methodist Youth Fellowship will meet on Sunday evening at six thirty o'clock. David Kunkle is president. Howard Bailey will be in charge of the worship service. Boys and girls in the seventh grade and above are invited.

The final in a series of Sunday Evening Fellowship Meetings will be held on Sunday evening at seven o'clock. The response to these meetings has been more than encouraging and it is planned that another series will begin shortly after the New Year. An almost full church saw "Again Pioneer" last Sunday evening and those attending had a memorable experience. On this Sunday Evening the motion picture, "Salt of the Earth", produced in Hollywood and Pennsylvania by Cathedral Films, will be shown. This is the "dramatic story of what one man did when he decided to go God's way and do God's work" and should be of special local interest because of the portrayal of life among a mining population. The Service begins at seven o'clock with a brief worship service. The picture runs for forty-five minutes. A free will offering is received.

The Intermediate Girl Scouts and Brownies will meet in the Social Rooms on Tuesday afternoon

at four o'clock.

The Board of Education meets at the Church on Tuesday evening at eight o'clock. Mr. Raymond is in charge. Final plans for Christmas will be made.

Church Family Night will be held on Wednesday at six fifteen o'clock. The Brickel Class will be in charge of the supper. Program will be announced later. Those coming are to bring covered dish, other than potatoes, meat, or dessert; their own table service; and rolls or sandwiches. Bring your friends and the family.

Choirs will rehearse on Thursday at the usual hours. Boys and girls and adults interested in joining a choir are urged to see Mrs. Reynolds. Boy Scouts will meet at seven o'clock.

St. Paul's Church

St. Paul's Lutheran Church lists services for Thanksgiving Day and Sunday, November 26.

THANKSGIVING DAY
The Thanksgiving Day service will be held at 8:30 A. M. and will be a Matin Service.

Thanksgiving Day has been set aside to render unto God a sincere "thank you" for all His many kindnesses and benefits. Is there a better place to express this thought than by finding our places in our respective Churches?

St. Paul's congregation and their friends will listen to a message from the pastor of the Church, the Reverend Frederick W. Mook, Jr., on "An Altar of Thanksgiving." The Senior Choir will sing "Let All Things Now Living."

The entire service will last less than one hour. There will be plenty of time for the football games and preparation for the traditional turkey.

SUNDAY—NOVEMBER 26

9:45 A. M.—Sunday School. The lesson will be on "The Stewardship of Money." This is, of course, a very timely subject in which we are all interested. There are classes for all ages in St. Paul's Sunday School. You will be most welcome to this service of worship and instruction.

11:00 A. M.—The Service. This is the Last Sunday in our Church year. It is well to take heed to the Gospel for the day—"The Parable of the Ten Virgins." Pastor Mook will preach from this lesson on the theme "Time Marches On."

7:00 P. M.—Luther League. (The Teen Age Center of St. Paul's). Here we have Christian devotions, Christian fellowship, and Christian fun. We welcome the teen agers most sincerely.

Girls, Join The Navy And See Washington

Mrs. Ruth Easley Moore, Navy Department Civilian Recruiting Representative is in Scranton to interview and hire young women interested in working for the Navy Department in a civilian capacity in Washington, D. C.

Hundreds of clerk-typists are needed and appointments will be made for immediate employment or for placement in early January. Salaries range from \$2450 to \$2650 a year for typists and stenographers to \$2875 for qualified secretaries. Opportunities for advancement are favorable.

Typists must be able to type 40 words a minute, stenographers to take dictation at 80 words.

Appointments are governed by Federal Civil Service regulations, under which each girl will earn 26 paid vacation days and 15 days of sick leave a year.

Navy housing bureau guarantees living quarters in Washington at a reasonable figure. Single rooms without board rent for about \$35.00 a month; double rooms, shared with another girl, \$30.00. Navy Department counselor is available for advice to all new girls when they arrive for duty.

Food can be obtained in Navy non-profit cafeterias for less than \$1.75 per day.

Appointees will be employed in any of the 13 Navy bureaus in Washington or immediate vicinity. Mrs. Moore will be at the Pennsylvania State Employment Service, 451 Wyoming Avenue, Scranton, on Monday through Friday or an indefinite period, to interview and test applicants.

Surprised On Birthday

Mrs. Edward MacDougall entertained at a knitting birthday party Wednesday night in honor of Mrs. V. Arch Austin of Beaumont—and was she surprised. Present on "happy birthday" were Mrs. William Villforth of Kingston, Mrs. L. B. Hilbert, Mrs. C. W. Smith, Mrs. Clarence Hilbert, the guest of honor and the hostess.

Past Councilors of 224 Entertained At Lehman

Past Councilor's Club, Mount Vale chapter 224, Daughters of America, were entertained Wednesday evening at the home of Mrs. Mabel Elston, Lehman, with Mrs. Anna Kingston presiding at her first meeting since election.

Story of the First Thanksgiving was presented by Mrs. Arline Nulton.

Committees appointed were: entertainment, Ruth Fiske, Mrs. Audrey Ide, and Mrs. Vivian

Cooper; ways and means, Hope Smith, Mrs. Genevieve Mead, Mrs. Mabel Elston.

Plans were discussed for the annual Christmas party, to be held at I. O. O. F. Hall, Dallas, Friday evening, December 15, to which all past councilors for the district will be invited. In charge of entertainment are Ruth Fiske and Mrs. Audrey Ide.

Present were: Mesdames Anna Kingston, Alice Fiske, Arline Nulton, Genevieve Mead, Lena Misson, Dorothy Perrego, Audrey Ide, Gertrude Long, Emily Parrish, Dorothy Wright, Maude Eipper, Mabel Elston, and Ruth Fiske.

Council To Meet

There will be a meeting of the Back Mountain Council of P.T.A.'s at Lake Township High School Monday evening at 8 o'clock.

"WHAT D'YA MEAN... MORE PAYLOAD?"

DODGE

"Job-Rated" trucks GIVE IT TO YOU!

IT'S A MATTER OF better weight distribution

You can haul more payload than ever in a Dodge "Job-Rated" truck, because the load is better distributed. Most trucks carry too much of the load on the rear axle—too little on the front. Because the engine of a Dodge "Job-Rated" truck is moved forward and the front axle back, both axles carry the right proportion of the load. That means you can haul bigger payloads without overloading.

NOT THIS The payload on most trucks—like the girl in this boat—rides too far to the rear. Result: there's too much weight aft, not enough forward.

BUT THIS In "Job-Rated" trucks, the load is moved forward—as the girl is now positioned. Results: proper weight distribution—bigger payloads—easier handling.

NEW! gyro FLUID DRIVE! Available on 1/2-, 3/4- and 1-ton models . . . for longer truck life, lower upkeep costs. Ask us for interesting Fluid Drive booklet.

Job-Rated . . . for low-cost transportation

POWER: . . . 8 great truck engines—each "Job-Rated" for PLUS power.

ECONOMY: . . . priced with the lowest "Job-Rated" for dependability and long life.

BIGGER PAYLOADS: . . . carry more without overloading axles or springs because of "Job-Rated" weight distribution.

EASIER HANDLING: . . . sharper turning! Parks in tight places. "Job-Rated" maneuverability!

COMFORT: . . . widest seats . . . windshield with best vision of any popular truck. Air-cushioned, adjustable "chair-height" seats.

SAFETY: . . . finest truck brakes in the industry . . . hand brake operating independently on propeller shaft on all models—1/2-ton and up.

With all their extra value **DODGE "Job-Rated" TRUCKS** are priced with the lowest
