so-called 'trained seals' are sea mer theater-type production of lions and not seals at all-or they'd "Roberta" at Balboa Park Bowl. be unable to move about on land. Balboa Park was the site of the on your head, and push the but-We were very much impressed San Diego Exposition. What fun ton. Presto-a picture for senor! by the division of the Zoo into it was to sit under the stars and canyons and mesas so that each hear such favorites as "Smoke Gets curred to me to wonder how many animal could be housed in a space In Your Eyes" coming across the which most closely resembled his night air from the well-lighted normal habitat. We saw no cages stage. I'm sure if I lived in that for lions or bears, yet they were region it wouldn't be long before penned in in such a way that I'd be trying to help with one of there was no danger of escape. these productions, for they looked We noted that the San Diego Zoo like such fun and were so well had several animals which were directed that it would be a thrill the only ones of their kind ever for any lover of dramatics to have and high priced perfumes for less Visit Mexico

of a feeling of liberty in their one of the high special surroundings than most zoo anitrip was the short excursion we Street in Los Angeles could be made south of the border to purchased here for \$8. If you A trip out across the silver Tijuana, Mexico. We had been strand to Point Loma brought us warned by many friends that while, kept asking for something face to face with the only light- Tijuana was actually a rather dirty, house I ever heard of that was highly commercialized city which taken out of service because it made a good living on the Ameri-

can tourists. However, we remained steadfast in our determination to go over and see for ourselves, and how glad we are that we did! As you enter the city you are of course was too high. We climbed to the aware of the Mexican shop-keepers An afternoon at the San Diego top where we could look down on and pedestrians who with the Zoo gave us an opportunity to the Bay of San Diego, with its tourists swarm all over the streets witness the performance of three tremendous moth ball fleet, the and in the shops. Along the streets trained seals who capered about Pacific Ocean, North Island Naval are many men with highly painted carts, patient burros, and huge sombreros eager to perch you on the poor stupid animals and take your picture. They drape a serape over your shoulders, perch a hat After we had walked away it ocother people had worn the same

I don't suppose the two fellows enjoyed it too much, but I had a grand time wandering through the shops and trying to buy beautiful hand-tooled leather purses and wallets, silver bracelets and rings, than the very reasonable prices they were offered for. A purse One of the high spots of our that would cost \$18 on Alvera talked to the fellow for a little just a bit different, and then started to walk away, he'd come down on his price. Sometimes there would be quite a difference—other 产价价值的价值的价值的价值的价值的价值的价值的价值的价值的价值的价值 gain-and of course we bought.

After having dinner in a delightful Mexican restaurant where you ate by candlelight and musicians came around to the table and serenaded the lady, we spent the remainder of the evening watching Jai Alai (pronounced Hi li) games. These were very fascinating played in singles or doubles by men wearing oblong baskets strapped on their hands. A ball was thrown against the wall by one player and the opposite team or player had to catch it in his basket and throw it back against the wall without letting it bounce more than once. Betting

"We're just in the wrong place to meet eligible men,

times not so much-but at least and public sentiment ran high, and | What nation has over 4,500 miles there would be enough to make we were soon hollering as loudly of coastline but is less than half you think you were getting a bar- as the others for our favorite color the size of Ohio?

> We were sorry we had to leave mode sepnjour upidw Aremned Mexico, and beautiful California, but the next day, late in the afternoon when the sun was sinking and the heat of the day had passed, we headed our car away from the Pacific and started toward the last big stop-The Grand Canyon!
