

## Boyd Atherholt Buried Saturday

Loved Resident Laid To Rest

Everybody in Trucksville mourned the passing of Boyd Atherholt, familiarly known as Uncle Boyd to the hundreds of children he has helped across the school intersection and the neighbors he has befriended. His funeral was a revelation of what he had meant to the community. The services, conducted by Rev. Robert T. Webster on Saturday from the home on Chestnut Street, were largely attended, and the grave in Cedar Crest Cemetery was banked with flowers.

Mr. Atherholt, 72, had been working in his garden Wednesday afternoon when he dropped dead from a heart attack. He had suffered from heart trouble for the past few years and knew that his days were numbered.

He came of a pioneer family that settled in the vicinity of Bunker Hill, migrating from Holland before the Revolution. The son of Harvey and Eunice Atherholt, he was born on the farm now owned by Mrs. John Conyngham. He is the last of six Atherholt boys, and is survived by three sisters.

Earlier in life a painter, he abandoned that business when he contracted lead colic twelve years ago. Since that time, desiring outdoor employment, he has worked from time to time on Kingston Township road maintenance.

He is survived by his widow, the former Sarah Jane Hoover, daughter of Mr. and Mrs. John Hoover, Bunker Hill; a daughter, Blanche Mae Atherholt, at home; sisters, Mrs. Joseph Swank, Ashley; Mrs. Leslie Spencer, Dallas RD; and Mrs. Edgar Howard, California.

## American Legion Draws Full House With 1000 Guests At Grand Opening

Nearly 1,000 friends and members of Daddow Isaacs Post, American Legion and Auxiliary, thronged the newly remodelled and decorated Home on Huntsville Road Monday night from 6:30 to 3 A.M.

So great was the crowd that guests who wedged themselves in at 9 P. M. were unable to get out before midnight. Everything, including drinks and orchids for the ladies, was on the house, and food in quantity, with plenty of potato salad and cold cuts.

Primo Berrettini, Commander, said it was an evening of pure en-

joyment, with nothing to mar it. That guests had anything they ordered to drink, from beer to imported liquor, but that no disorder arose. Some of the liquid refreshments were donated, some were furnished by the American Legion. Berrettini said there was a big crowd coming and going all evening, but mostly coming, and that by 3 A. M. the cupboard was bare.

Legion facilities will be available for dinner parties, with the ultra-modern kitchen open to private groups as well as legion affairs.

## Welcome, Neighbor

Edward Blake, formerly of East Lansdowne, has recently purchased the Bonham house in New Goss Manor and plans to move into it on Monday.

Mr. Blake, in taking over his duties as new superintendent at Craftsman Engravers, stayed at the Sterling for a few days. He noted church news of Dallas, decided that Dallas would be a good community to live in, and called on Rev. Frederick Reinfurt.

Rev. Reinfurt assisted him in locating a suitable house, and invited him to remain at the parsonage until he could get occupancy. Through John Yaple, realtor, the house in Goss Manor was bought.

Mr. Blake will be an asset to the Methodist congregation. He was superintendent of the Sunday School in East Lansdowne, active in civic affairs, talented in directing amateur plays, and an officer of the volunteer fire company.

Mr. and Mrs. Blake have two children, Bob, 20, now waiting to be called by the Navy, and Naomi, 11. Living with them is Mrs. Emma Sharrock, Mrs. Blake's mother.

## Throng Attends Hislop Opening

Cocktail Lounge Proves Popular

Bob Hislop's newly remodelled restaurant opened to a capacity crowd Wednesday night, with 400 patrons served. It was a gala evening, with Pete Peterson, well known colored piano player, entertaining. There were many floral good will offerings from well-wishers in the Back Mountain.

Sea-food, fried chicken, and steaks were on the bill of fare, and the new cocktail lounge did a thriving business. A repeat performance on everything was held last night.

## Recreation Classes Prepare For Exhibit

Students in Adult Recreation Classes on Thursday nights at Kingston Township High School are getting ready for the exhibit which will mark closing of the ten weeks session.

Shop workers have turned out trays and bric-a-brac shelves; corner cabinets and stools; the handicraft class is doing felt work, bedroom slippers and bags, and painting trays; ceramics devotees have turned out flowers by the hundreds, mounted on anything from ash trays and powder boxes to brooches and ear-rings; the sewing class hopes to put on exhibit a line of gay peasant skirts and blouses as well as children's clothing and pajamas.

## Little Loop Season To Begin on May 14

May 14 will be a gala day in Shavertown when the Back Mountain Little League officially opens its 1951 season with a parade starting in Trucksville and ending at the official playing field in Shavertown.

The parade will start at 5 and a game will follow. High school bands will participate. Teams will appear in their newly purchased uniforms. Constable Louis Banta will be parade marshal, assisted by a detail of State Police and police from adjoining towns.

Plans for the affair were made at a meeting Thursday night with all team managers, coaches, umpires and Little League officers in attendance.

Howard Isaacs of Trucksville will sponsor the Trucksville team. Other teams and their sponsors are: Shavertown, Back Mountain Lumber Company; Dallas, Lazarus of Wilkes-Barre; Fernbrook, Dallas Kiwanis Club. Two other teams need sponsors. Persons or firms interested can contact Al Gibbs or Charles Steinhauer.

Uniforms, balls, bats and other equipment have been purchased. Fill for the official playing field has been contracted for and the grounds will be in shape for the opening game.

Registration for players has been closed. Due to the many boys registered, there will be a minor Little League formed comprising four teams under the direction of Robert Williams of Trucksville and L. T. Schwartz, Shavertown.

## Red-Headed Woodpecker

Machell avenue folks have a joint community red-headed woodpecker, reported on Tuesday by Mrs. Frank Ferry, tapping on the maple tree.

## Card of Thanks

Mrs. Harry Sweezy and family wish to thank all those who assisted them in their recent bereavement, those who sent flowers and cards of sympathy, and those who lent cars.

## Trucksville Firemen To Buy New Engine

Trucksville Volunteer Fire Company has voted to buy a new fire engine, costing \$10,500, with delivery within 90 days.

The firemen feel the firefighting situation in Trucksville has reached a critical stage with the increase in population and the obsolescence of the present equipment. As a result of a recent survey, the Fire Company voted unanimously Friday night to purchase immediately a new fully equipped AEF Corporation fire engine, mounted on a three and one-half ton truck chassis.

The apparatus will include a new Barton-American Duplex four-stage centrifugal pump of 500-gallon capacity, a newly developed appliance of the AEF Corporation. This pump is believed to be the only one of its kind in this area. The equipment includes a high pressure fog spray.

The entire area has been zoned by a committee and representatives with call soon on all families for collections to finance the new equipment. The need is urgent, the firemen feel, and the quality of the fire protection which can be provided by the Trucksville Fire Company depends solely upon the loyalty of the townspeople.

## Wilkes-Barre Buys Third English Auto

Edward Welles, Wilkes-Barre, has purchased his third English-make automobile from Daniel Meeker of Kunkle Garage.

Mr. and Mrs. Meeker drove down to New York over the weekend and picked up an English Riley saloon car shortly after it was delivered at the dock. An English saloon is the equivalent of an American made sedan. The car is a green model with biege leather upholstery and although not as tall as most American cars has about the same wheelbase. The other two cars delivered by Mr. Meeker to Mr. Welles were Austins.

Dan said the car handled beautifully. Its 2½-litre capacity gasoline tank gives some indication of its ease on gas consumption.
