## Williams Team Cleans And Cards Jewelry

Costume jewelry which brought \$87.77 at the Odds and Ends Booth, was cleaned, polished, and attached to cards in advance for the Library Auction by Jean Louise Williams, and Mrs. William Williams, Norton Avenue.

This was a big job, and took hours of close work, transforming a jumble of miscellaneous items into a collection that looked as if it had come fresh from the shop.

## Big Committee Whips Up Hot Sauce In Jig Time

Dallas Township cafeteria facilities were thrown open to the Library Auction Refreshment Committee for the concocting of the famous hot sauce used on hamburgers and hot dogs.

The recipe, expanded to fit the need, is one supplied by Mary Weir's mother, now in precarious health and unable to oversee the making as in former years. Supplies start off with one hundred pounds of onions, and include celery and tomato puree, with plenty of red pepper.

Members of the committee who used the food choppers and caldrons at the Dallas Township school are Mrs. William Sarley, Mrs. Raymond Kuhnert and her sister, Mrs. Margaret Laycock, from Lebanon; Mrs. Lester Evans, Mrs. Robert Ackerson, Mrs. Arnold Williams, Mrs. Ben Edwards, Mrs. Harlan Jacobs, and Mrs. E. A. Campbell.

With efficient equipment, it took only two and a half hours to make up the sauce, half an hour to do the necessary kitchen police work.

## Old Toll Gate Lions Hear Talk On Credit

"Problems Involved In Credit Management" was the subject of an educational talk Tuesday night before Old Toll Gate Lions Club by George Howe, past-president of the club, and Credit Manager at Bergman's Department Store.

Mr. Howe explained the procedure followed in establishing and granting credit. He also explained difficulties in acquiring information essential to establishing credit. His thorough knowledge of the subject proved educational and enlightening.

Samuel Patner, recently installed president, presided and called on members for comment.

It was decided to contact the principals of schools in the Back Mountain to determine the number of students whose eyes require attention under the Sight Conservation Program.

Inasmuch as the next regular meeting would fall on Primary Election Day it was decided to defer it until Tuesday evening, July 31st.

## Summer Courses Attract Sixteen

### Misericordia Offers Wide Range of Study

Sixteen Back Mountain residents are taking summer courses at College Misericordia.

Ethel Shultz, Dallas Township, is taking secretarial science and education; Lillian Zosh, RD 1, home economics workshop subjects.

From Trucksville, Margaret Woolcock is taking a course in advanced Latin.

From Shavertown, Mrs. Margaret Borton and Jeanne Lukasavage are enrolled in the home economics work-shop; Margaret Shepherd is taking education and Mildred Sanford, French.

Harveys Lake shows Mrs. Hilda Leinthal studying history and education; Dolores Mundy, chemistry; Jean Tyrell, the nursing course and nursing workshop, open to registered nurses only.

## Produce Booth Does Brisk Business

Analysis of results at the Produce Booth show that an unlimited quantity of strawberries were raspberries can be sold if materials are at hand. Supplies of such merchandise, limited this year, due to an early strawberry crop and to raspberries being not yet on the market in quantity. Receipts totaled \$209.

The potted plants went well, with ivy leading the field in popularity and demand. Many African violets were contributed and brought good prices.

The same thing was noted this year as last, namely that the first day of selling brought the most enthusiastic response.

In the opinion of the committee, Mrs. Ralph Davis and Mrs. James Hutchison, co-chairmen, solicitation for jams and jellies for next year's auction should start at once, with people asked to label a portion of their current pack for the library.

## Louise Colwell Represents PTA

### Attends Workshop At Slippery Rock

Mrs. Louise Colwell, Main street, is representing Back Mountain Parent-Teacher Association this week at Slippery Rock.

Pennsylvania State Congress of Parent-Teachers is sponsoring delegates, and defraying expenses while in residence. Back Mountain Council is handling transportation for its delegate.

Mrs. Colwell is chairman of parent education for the local council, and was recommended by Mrs. W. E. McQuilkin, president, as delegate to the state-wide Workshop Council Chairmen.

Head of the workshop is Dr. Ernest Osborne, Professor of Education at Columbia University.

## Joy Class Holds Sale At Farmers' Market

Joy Class, Kunkle Methodist Church, has postponed its Bake Sale temporarily in order to take advantage of open dates at the Farmers' Market. Members are selling baked goods this week, Wednesday and Friday, at the market on Pierce Street, Kingston, and will continue for Monday, Wednesday and Friday nights of the coming week.

Date for the regular Bake Sale will be announced later.

## Mid-Afternoon Refreshment

Tall glasses, tinkling with ice and filled with a delicious, bubbling beverage—what better way to revive the drooping spirits of guests or the family on warm summer days? A mid-afternoon drink, served on the porch, or any cool, shady spot, is a delightful interlude in the day's activities. A cooling drink is a welcome offering to unexpected callers and affords such a quick and easy way to bring on the refreshments.

A few cans of fruit juices and bottles of pale dry ginger ale and sparkling water in your refrigerator and you are ready for any time that a quick drink may be called for. Fresh fruits, too, peaches, cherries, berries and the citrus fruits, all come in handy for invigorating drinks. Here is a good afternoon refresher, the cherry syrup to be made ahead of time and set in the refrigerator to chill until ready to use.

### Cherry Glow

- 1 cup chopped, ripe cherries
- 1 teaspoon grated orange rind
- 3/4 cup water
- 1/2 cup orange juice
- 1/2 teaspoon grated lime rind
- 2 teaspoons lime juice

Sparkling Water  
Combine cherries, water, grated lime and orange rind. Simmer until cherries are soft. Chill. Divide in 4 tall glasses; add orange and lime juice. Fill glasses with ice cold sparkling water. Serves 4.

### Hawaiian Nectar

- 1 No. 2 can pineapple juice
- 1/4 cup powdered sugar
- 6 limes, juice
- Pale dry ginger ale

Combine ingredients, stirring until sugar is dissolved. Pour over ice into 6 glasses. Fill glasses with pale dry ginger ale. Garnish with maraschino cherries in thin slices of orange. Serves 6.

## Construction No Bar To Veterans' Program

Veterans' Program is still being carried out at Lehman-Jackson School, though under difficulties because of construction work. A temporary power line has been installed so that light welding can be done in a regular classroom while the shop is in a state of flux.

Veterans, ranging in numbers between 36 and 45, study not only shop work under Russell Ruble, but agricultural subjects under Raymond Searfoss and William Kyle. These include dairying, gardening, general and fruit farming, and allied subjects. Veterans, divided into small groups for intensive study, have four hours of work every Monday evening.
