Once again the weather man took over, so there was no game on the Fourth between East Dallas and Beaumont. However, the Little League got its game between Tunkhannock and Beaumont under way "before the rains came" and took the Gay-Murray team by the margin 1-0.

any.

I drive around eighty miles a day. I have two regular jeeps equipped with four radios each, and one special built jeep with armor plate for protection against mines. Also one escort jeep with a machine gun mounted on it. The General, his Aide, and a Korean interpreter are with me in one jeep and the escort jeep carries a driver, an aide, and a machine gunner.

A few times a week the General travels by plane, flying over the front lines to study positions. When not driving, my time is my own. I just loaf around. Every night at 5 P. M. I go wash my jeep which I use the following day. It has to shine. Then we go swimming. We have a deep river here and it is really nice. Thanks for the Post. Joe Wallo
