

Trucksville Fair Huge Success

Keen Contest In Baking & Painting

Trucksville Fireman's Fair staged last week from Wednesday to Saturday inclusive on the grounds back of the Fire Hall, drew a good crowd in spite of rain Thursday evening. Early evening rain forced postponement of the Band concert from its scheduled 7:30 start to nearly eight-thirty, but the crowd collected at the refreshment stands and the other attractions and made satisfactory inroads on the hot dogs and sandwiches.

With Friday clear and cool, the refreshment booth did a land-office business in hot coffee and hot baked beans.

Friday afternoon's baking contest brought a prize array of home-baked goods for judging by Ruth Darbie, home economics extension worker for Luzerne County, and Marian Bush, instructor of home economics at Kingston High School. Entries were judged by points, with appearance, texture, moisture content, cutting qualities and weight considered as well as flavor.

Grand prize for best in the show went to an entry of cupcakes decorated as party favors, with the flower basket theme carried out by pastel colored icing flowers and pipe-cleaner handles tied with ribbon bows. Mrs. William Gregory was the winner.

Door prizes were awarded each evening, with winners of the \$1000 worth of bonds announced Saturday night. The air-conditioner given by Duke Isaacs was won by Mrs. Lorry Johnson.

The painting contest for boys and girls, a brain child of William Moss, manager of Sherwin Williams in Wilkes-Barre, who furnished materials and brushes for the contestants, drew 25 children Saturday afternoon. Each child was given a large cardboard square to confine his painting operation, and ample time was allowed. In the 10-12 group, James Gross won first prize with a stepstool; Lee Evans, second with a fishing rod; Emma Engler, third with a chair.

In the 7-9 class, Tommy Shelburne won first with a wagon; Bonnie Case, second with a bird house; Jack Griffith, third with a flower pot.

Children, in the opinion of Mrs. Bud Silverman, president of the Ladies Auxiliary, were better acquainted with equipment and procedure than last year, getting down to business with the minimum of delay, and choosing a vivid vermilion 2-1 over other milder colors.

Many interesting exhibits were noted Saturday afternoon in the 4-H Club calf show. Five registered breeds were on parade.

Bobbie Rice, Dallas, won first for junior yearling Ayershire; Frank Prutzman, Trucksville, junior Holstein yearling.

Bobbie Rice won second, Frank Prutzman third prize for showmanship.

Plan Community Band For Lehman, August 1

Lehman's Community Band project will get under way Wednesday night for the fourth successive summer.

Residents who are interested in belonging to a community band, both high school students and adults, will meet at 7:30, August 1, at the High School. Bernard Gerrity, High School music director, will lead and instruct.

Mr. Gerrity will be at the High School each day from 10-2:30 to give instruction in band instruments.

With the steel bleachers installed sometime during August, Lester Squier, Supervising Principal, says that an outdoor band concert might become a reality.
