Sutton Is Now Service Manager

His Father Was James Oliver's First Mechanic

Willard Sutton has been appointed service manager for James R. Oliver, Inc.

Mr. Sutton follows in the footsteps of his father, Harvey C. Sutton, who was the first mechanic hired by the late James R. Oliver when he opened his Maxwell Agency at Meeker in 1916.

Willard has had twenty years automotive service experience, four of them spent with Oliver Motors Inc., in Kingston. He grew up in Lehman attending Lehman and Dallas Township Schools but graduating from Kingston Borough Schools. He is a brother of Chester Sutton.

He is married to Grace Worthington, a Philadelphia girl. They have two boys and live on Dallas RFD 1.

Willard served in the Navy during World War II and is an active member of I. O. O. F. Lodge No. 712.

Since consolidating its interests in Dallas, the Oliver organization has greatly expanded its service department, largely due to the lower overhead which permits lower charges for expert service work.

A pick-up and delivery service is maintained for customers in outlying areas.

Wins First Aid Award While In Germany

ESSLINGEN, GERMANY. American Red Cross European Headquarters reported today that Corporal Earl M. King, of Shavertown, has been awarded the Standard First Aid Certificate upon completion of an Army-sponsored course in accident prevention and first aid.

Accidents in Europe are costing American taxpayers over a half-million dollars monthly, according to military sources. The Red Cross was asked to help reduce these figures by setting up educational safety courses for service personnel.
