against Norm Harding of Vernon. East Dallas, fourth place nine, will visit Beaumont, runner-up for the regular season title. Bert Cross will be the probable nomination by Beaumont manager Arch Austin while Frank Muchler, East Dallas field chief, will probably counter with his ace, Warren Stanton. The first games of the opening round will be played at the Orange and Beaumont fields with the second games going to the Vernon and East Dallas diamonds. If a third and deciding game is needed in either case it will be played on a neutral diamond. The two winners in the opening round will meet in the final best-of-three playoffs.

### Clinches Fourth Place In League

East Dallas defeated Vernon 5-1 Sunday on the Vernon diamond to capture fourth place and a playoff spot as the Bi-County League wound up its regular season. This contest was very important as a loss by East Dallas would have resulted in a fourth place tie with Dallas and a sudden death playoff game.

Warren Stanton, East Dallas hurler, was in top form as Vernon garnered only five hits, only one of which, a double by Searfoss, was really well tagged. East Dallas fared only slightly better against the offerings of Norm Harding, Vernon pitcher, whom they reached for eight hits. However the hits given up by Harding did the least damage. The extremely loose play by the Vernon infield caused the most grief. Russ Muchler teed off on one of Harding's pitches for a booming double over the left fielder's head for East Dallas' longest hit.

Both teams scored single runs in the second. Vernon getting its counter on singles by Bruges and Harding and Searfoss' double. East Dallas came on an error on Stanton's grounder, a wild pitch, a passed ball, and Fred Steven's single. East Dallas added single tallies in the fourth and seventh and sewed up the game with a two run cluster in the ninth. Bob Shultz's double to right scored Stanton in the fourth. East Dallas scored in the seventh without the benefit of a hit. An error, a stolen base, a sacrifice and another error meant the run. In the ninth singles by Frank Muchler and Stanton and Russ Muchler's double combined for the final two scores. After its single run scored in the second Vernon was retired in order every inning for the remainder of the game. Stanton was invincible as he was touched for only one hit in the last seven innings and this runner was erased by a double play.

### Pfc. Robert Koons Has Skin Grafting

Pfc. Robert J. Koons, son of Mr. and Mrs. Walter Shaver, Pioneer Avenue, Shavertown, submitted to an operation at James Connally Airforce Base, Waco, Texas, on Friday, with skin grafting from the thigh to the right shoulder and under-arm.

When five years old, young Robert set his clothing afire while playing with matches, sustaining deep burns. These healed, but produced Keloid growths which were later reduced with radium. There was complete healing, but Robert's parents were warned that if the puckered scars should ever break open, immediate attention would be necessary.

Koons, sent to the Airforce Base in Sarasota, Florida, after his first assignment in Wyoming, was exposed to much greater heat than he was accustomed to, and the combination of perspiration, heavy clothing, and prolonged exertion broke down the scars, which were raw wounds when he came home in August for his three weeks' leave.

It is expected that four weeks will see him back with his outfit.

fatigued to answer questions. Some were negroes, some whites, never the races mingling, but we, being northerners, were free to seek knowledge from both. We don't know what a bale of cotton sells for at the market, but after viewing that huge pile dumped on the ground, weighing only 1200 pounds, and the farmer getting but 400 pounds of cotton and 660 of seed from it, we realized the back breaking day that must have been put in to pick such an immense load, so we don't think we will go into the cotton farming business.
