**Kunkle Completes Plans
For Their Food Venture**

Kunkle Methodist Church has added a roast beef platter to its menu for Bloomsburg Fair Food concession, September 24-29. Lunch will feature home made soup in addition to the usual items, and breakfast, an innovation this year, will specialize on bacon and eggs as well as cereal, fruit juice and hot buttered toast.

Members of various societies and clubs meeting at Kunkle church will collaborate in raising the fund for building new Sunday School rooms. Committees include representatives from Joy Class, WSCS, Silver Leaf Club, Official Board, Board of Education, and Kunkle firemen.

Mrs. Dorothy Dodson is general chairman, Rev. Ruth Underwood adviser. Committees include Mr. and Mrs. E. R. Kerlin, Mr. and Mrs. Allen Brace, and Mesdames Naomi Ashburner, Anna Weaver, Betty Meeker, Gertrude Eckert, George Landon, Helen Landon, Emma Miller, Florence Hoyt, Arline Kunkle, Agnes Elston, Elva Elston, Stella Isaacs, Jason Kunkle, and Irene Transue.

Committee will meet Monday at 8 in the church. Mrs. Helen Landon is in charge of procuring workers and transportation, Mrs. George Landon in charge of donations of fresh vegetables for soup. Workers and donors are asked to make Monday their deadline for offers of service or food. The entire community is urged to help, as new Sunday School rooms will benefit everybody.

THESE WOMEN!

By d'Alessio

"Remember when we used to sit out dances, Fred—when it wasn't just to rest?"

**Book Club Opens Season Wednesday
With Luncheon In Library Annex**

Back Mountain Library Book Club will open its fall and winter season with a luncheon in the newly remodelled and redecorated Library Annex next Wednesday at 1. It has been planned as a Round-The-World luncheon by chairman Mrs. James Gross.

Mrs. Joseph Schermer will preside at the business meeting and Mrs. Harry Stuhlmuller will lead a discussion on travel. Chairman of the hospitality committee is Mrs. Ralph Garrahan, co-

chairman Mrs. Harold Flack, assisted by Mesdames Arthur Ellum, A. A. Mascali, Walter Elston, David Evans, Charles Flack, George Flack, J. C. Fleming, Z. E. Garinger, Charles W. Lee, Lewis LeGrand, W. E. McQuilkin, Antoinette Mason, Fred Morris, Edward Blake, A. J. Brooks, and John Blackman. Reservations must be made by Monday with Mrs. Ray Shiber, Dallas 187, or Mrs. Thomas Graham, 463-R-2.

**First Graders Get Safety
Rules In Games And Jingle**

Safety lessons taught by rhyme and jingle are already on the agenda in Mrs. Harold Rood's first grade in the Dallas building, with children skipping around the room in a circle, stopping dead when they encounter a red light.

There is a jingle that says:
I look to left,
I look to right,
I always watch
The traffic light.
You can't start too early to in-

tegrate principles of safety into small children, says Mrs. Rood.

The new desk and seat assemblies, easily movable, have been arranged in a circle instead of in ordered rows, which leaves a large free area in the center for play or projects.

Mrs. Rood says that the auditorium will be of great benefit to grade school children, for rehearsals for school pageants and for play in bad weather. It is directly across the corridor from first, second and third grade rooms. Last year it was necessary to put outdoor clothing on the pupils before taking them to the auditorium, and the high school schedule did not permit much latitude.

**Trucksville Show
Awards Blue Ribbons**

Trucksville Methodist Church's sixth annual flower show this year omitted the hobby show that usually accompanies it, and specialized on two features, framed pictures and monochromatic arrangements.

Mrs. Leonard Adamshick, Lehman, took blue ribbon for a monochromatic niche in tones of yellow and orange, featuring bittersweet. Blue ribbon for framed pictures went to Mrs. John Sherk, Forty-Fort, for a Flemish arrangement of flowers and fruit.

Mr. and Mrs. John Letson, Trucksville, won a gold ribbon for outstanding dahlia exhibit; Mrs. Clarence Woodruff won first for outstanding floral arrangement.

Prize for best house plant went to Mrs. Sam Davis for a luxuriant begonia.

Eugene Misson took first for prize vegetables, an award which he has won consistently for years.

**Want Profitable
First Calf Heifers?**

Yes, folks, I've seen it happen time after time. Those customers of mine who use Glidden's Complete Calf Builder develop heifers that sure show they've had the right start. Glidden's Complete Calf Builder develops a large feed capacity, helps prevent scours, and supplies all the nutritional needs of the growing calf. It's a known fact that one bag of this calf builder can save 35 to 40 gallons of milk. You owe it to yourself to investigate this complete calf builder. Stop in and see us.

**Austin Again
Heads Appeal**

**Beaumont Salvation
Army Seeks Funds**

William A. Austin will serve again as chairman of the Beaumont Salvation Army Service Unit annual appeal which will commence September 15. Mr. Austin has served for the past four years as chairman and realizes the valuable services rendered by his committee.

Mrs. William A. Austin will again act as Treasurer Unit. Members of the committee are as follows: Mrs. Harry Clark, Mrs. Julia Denmon, Mrs. Alden Dietz, Mrs. Charles Smith, Mrs. Dorothy Johnson and Mrs. Hope Smith.

This committee administers your Salvation Army Service Unit funds and are volunteer, unpaid local leaders from your own community. Many of these members have served loyally and untiringly year after year. Remember part of your gift remains in the Beaumont area for local welfare needs. It is a unique Salvation Army Service Committee operating in your community.

In times of national crises and of emergencies confronting individuals and families, The Salvation Army has always performed marvelous tasks and no sacrifice is too great.

**Thursday Art Club
To Meet September 20**

Thursday Afternoon Art Club will meet September 20, 2 PM, at the home of Mrs. Fred Howell, Shavertown. Hostesses are Mrs. Howell and Mrs. Auber J. Robbins.

"Yankee Exodus" will be reviewed by Mrs. Robbins, "All the Best in Switzerland" by Mrs. C. H. Rohlf.

**Kindergarten
Enrollment 84**

**With A Few More
Children Expected**

With enrollment not yet complete, due to prolonged vacation and miseries of a first vaccination, Dallas Borough-Kingston Township kindergartens already have a membership of eighty-four children, almost equally divided between morning and afternoon sessions, enough to fill all the small chairs provided for the two large rooms.

Mrs. Charles James and Miss Helen Mills are in charge. Miss Mills has taught first grade in Shavertown schools for the past three years, but has always wanted to teach kindergarten. She graduated from Mansfield, took the degree of BS at Misericordia, attended Columbia and took her MA at Bucknell.

The school bus filled with kindergartners comes at a few minutes past nine for the morning session, a little past one for the afternoon. Some parents are still bringing their children personally, but the bus will apparently be used more and more as pupils become accustomed to school life.

Each child wears a large printed tag for easy identification during the first days of school.

Mrs. James and Miss Mills have both had a few chronic weepers in their classes, with one disconsolate child affecting the others, but they both agree that this is normal for beginners and advise parents to ignore it. Most of the children are very happy, and already becoming accustomed to working with a group. The children love the playground apparatus, especially the slide.

**Enrollment For
Joint District**

**Shows 1019 Pupils
On Third Day**

Enrollment figures for Dallas-Borough-Kingston Township schools on Monday, the third day of school, show:

Kindergarten, at Dallas Borough, 86, Dallas Borough Elementary School, 131, Shavertown Elementary School, 183, Trucksville Elementary School, 185, Junior-Senior High School, 434.

The Joint Board of Education anticipated an enrollment in the first and second grades that would release one teacher from each grade for another assignment. Miss Helen Mills, who has been teaching a first grade in Shavertown, was re-assigned to teach in the Kindergarten. Miss Mills had expressed an interest in teaching a class in the Kindergarten. She received her Bachelor of Arts degree from College Misericordia and her Master of Arts degree from Bucknell University.

Miss Bertha M. Sutliff, who had been teaching third grade in Trucksville School will be re-assigned to teach at one of the other schools.

Federal lunch program provides two cents for each bottle of milk consumed in the schools and seven cents additional for each lunch eaten by a student in the cafeteria.

Milk consumed by pupils on Monday was:

Dallas Borough Elementary School, 93, Kindergarten at Dallas Borough, 86 Shavertown Elementary School, 80, Trucksville Elementary School, 86, Junior-Senior High School, 390.

STORE TALK

With Summer work out of the way, most of us can plan such sensible things as Dog Training, Pickerel Fishing, Hunting Season and other outdoor fun. NOTE—Our Sports Department can supply you for the sport of your choice.

HUNT WITH BOW AND ARROW

ARCHERY—Deer Hunters will take to the woods this fall for the special season October 15 to 27. We predict that few deer will fall, but

all hunters will have a big time. \$12.95 buys a complete hunting outfit with 50 lb. Bow at our Sports Counter.

BASEBALL—Can't tell you for sure where to order your World's Series Tickets, but sure can tell you where to find good baseball right at home. Just check your local team—they'll tell you; or ask us.

ROOFS—That's something you better look after before you take off, for leaks, you might try our famous MAPLE CITY Asphalt, Asbestos Coating. It'll stop a 1/4 in. hole—Don't reckon you can equal our buy on 3 in 1 shingles if you need a new roof. \$7.25 a square for a rugged roof.

ALUMINUM ROOF—Our carload didn't arrive yet, but we'll soon supply you 24 gauge sheets in all lengths—Price, just a bit higher than steel.

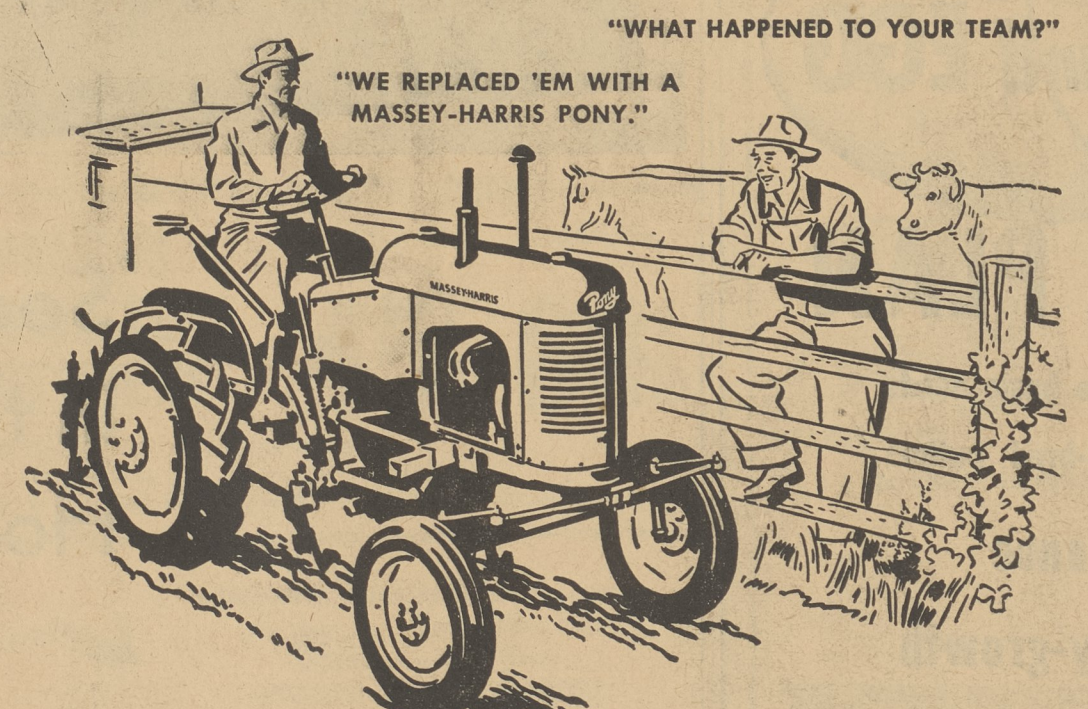

CORN HARVESTERS—Elmer just put his "O.K." on two more that are ready to work—good makes and in good condition—Better use the phone.

BARN EQUIPMENT—Ask for our book on "MAPLE CITY" STALLS—We can give you immediate delivery—the style you want and rock bottom price.

"WHAT HAPPENED TO YOUR TEAM?"
"WE REPLACED 'EM WITH A MASSEY-HARRIS PONY."
... and it didn't take much convincing when my Massey-Harris Dealer showed me the different jobs I can do with the Pony. Not only that, but I'm planning on putting a couple of cows on the pasture that kept my team. You know, I never realized what a genuine pleasure farming with a tractor is as compared to farming with a team. The best part of it is my Pony has the power, weight, traction and tools to handle every 1-plow job on the place. And I do my work in less time too. Believe me, I'm sure glad I asked for a demonstration right here on my own farm. If I were you, I'd look into the Pony way of farming—it can't be beat in the 1-plow class."
