Bi-County Baseball Series will finally get underway Sunday with East Dallas playing here. Mr. and Mrs. Walter Saxe of Canton, Mr. and Mrs. Russell Deater and daughters Ellen and Susan of Binghamton, Miss Dolores Keiper of Niagara Falls, and Mr. and Mrs. Samuel Mansfield of Noxen were recent callers of the Earl Johnsons. We are happy to add that Mrs. Johnson continues to improve since her trip to the General Hospital.

The school cafeteria is in operation now with a variety of lunches aiming to suit everyone's tastes. Please cooperate by sending the money with Friday's order for the next week, for then the bookkeeping will be simplified.

Did you know the school enrollment proved to be the same as last year's?

Soon the local drive for Salvation Army funds will be opened with the local committee sending letters to you. What happens to the money? Local school children are supplied with vitamin pills, some less fortunate are given a token of remembrance when the going gets tough, and local "Shut-Ins" are remembered at Christmas.

The fellows from Korea can vouch for some of it too. I am sure you want to help when so little will do so much to show others some-one cares!

It was with tear dimmed eyes, neighbors waving, flags flying, and grateful hearts we welcomed Bud Bachman home from Korea Friday. Baseball fellows know Bud as Arch's protegee, who played professional ball. Three weeks ago Bud was on patrol duty, but under

the rotation plan he has served his time and was flown to the States. He claims that fighting the Korean winter was worse than fighting the Chinks and that the "going" has been mighty tough since the "phoney" peace talks started.

Beverly Crispell, daughter of Mr. and Mrs. Lawrence Crispell, has enrolled at Roberts Wesleyan College, Chili, N. Y.

The L. B. Hilberts had the Swartwood youngsters of Hatfield for a visit recently. Herbert Goodwin is ill at his home.

The John Smiths of Philadelphia were with Mrs. Smith's parents, the C. W. Smiths, for last week-end.

**"I took the
Blindfold Test
—that new Dodge Oriflow Ride sure opened my eyes!"**

Says DANIEL F. HOWARD, JR. of New York City, "The Blindfold Test convinced me! The new Dodge Oriflow Ride really levels out the worst kind of bumps and ruts," continues Mr. Howard. "No ride has ever been so smooth."

**Come in! Try it!
FEEL HOW NEW ORIFLOW RIDE MAKES
ROUGHEST ROADS BOULEVARD-SMOOTH!**

Here's something new and wonderful in riding smoothness you notice from the very start!

Blindfolded you ride over a bumpy road. You're told the ruts are there—but you don't feel them! Gone is the pitch, bounce and jar you experience in other cars as the new Dodge Oriflow Ride levels out the rough spots. And with

blindfold off you'll be amazed you traveled over such bumps and chuckholes.

Words alone can't tell it all! That's why we invite you to take this daring "Blindfold Test" today. You could pay up to \$1,000 more for a car and still not get all the extra roominess, ease of handling, famous Dodge dependability!
