GOOD HEALTH

Answer to Question No. 1:

1. Medically speaking a tumor is an enlargement or swelling anywhere on or in the body, while an ulcer is a loss of normal tissue, causing a crater. A tumor may be benign (harmless) except for its size or position, but the possibility of cancer should always be considered. Tumors and ulcers should be shown to your doctor promptly.

Answer to Question No. 2:

The Rh factor is a blood component first discovered in Rhesus monkeys, hence called Rh. When a woman is "Rh negative" and her husband is "Rh positive," there may be danger that she will have abnormal babies after the first pregnancy or a series of blood transfusions. The rea-

son is that in later pregnancies antibodies may develop in her blood which dissolve the red blood cells of the baby. A miscarriage may result, or the baby may be born dead. If the difficulties develop, and the baby is born alive, it can be saved by a replacement transfusion. The baby's blood is drained and healthy blood is put in its place. Doctors today watch the Rh factor carefully.

Answer to Question No. 3:

3. Dangerous enough that you should always follow medical advice. Your physician will tell you how to live and what to eat to reduce the pressure. You can enjoy many years of good health, happiness, and usefulness.

DALLAS METHODIST CHURCH

Sunday is Reformation Sunday in the calendar of our Church. It is a day in which Protestant Christians recall their great heritage and dedicate themselves anew to its perpetuation. The Protestant movement was an energetic and positive challenge to the Church to return to the religion of Jesus and Paul and the Primitive Church. In this spirit we still bear our witness as Protestant Christians and observe this historic anniversary. The following services will be held:

Sunday School, 10:00. International Lesson Topic: "Of What Use Is Trouble?" The lesson is based on Exodus 1:7-14; and Exodus 2:23-25. Classes, graded by age and interest, begin at three years of

age. Morning Worship 11:00. Sermon by the pastor. Special music by the choir. Pre-School children are cared for in the Church Nursery during the entire service. Boys and girls recess to Junior Church at 11:30.

Youth Fellowship, 6:30. The meeting will be brief in order to enable all young people to attend the Evening Service.

Evening Service, 7:15. Two splendid motion pictures you will never forget will be shown—"The Power of Decision" and "That Boy Joe" will be presented with sound equipment. Admission is free, but you are asked to bring a ticket. Contact our Intermediate Department for tickets or call Parsonage. An offering will be received "For ages 6-86".

Scout Troop 281 will meet in the Scout Rooms on Monday evening at 7.

A Sub-District Worker's Conference will be held in Shavertown Methodist Church Thursday evening at 8. All officers and teachers of the Church School are urged to attend. Teaching aids and materials will be displayed. Come and bring your problems.
