Beaumont Events Playoff Series

Players Show Effects Of Prolonged Layoffs

Beaumont evened the playoffs in the Bi-County League at one apiece defeating Orange 14-9 Sunday on the Beaumont diamond. This contest, which resembled baseball only because nine men played for each side, was just a question of endurance.

The teams showed visibly the effect of the extended season with the frequent layoffs within the last few weeks.

A cold dreary day coupled with a chill breeze added not a bit to the effectiveness of either starting pitcher. Harry Martin, one of the best pitchers in the league, started for Orange but he was the victim of some inept defensive work. Beaumont's starter Lefty Wetzel was in no better shape but he ended up in the win column because the Beaumont team took advantage of the frequent Orange lapses.

The one bright spot in the game was the tremendous hitting of the two teams. Paul Kunkle, Orange's third baseman, clouted a ball in the fourth inning for a home run which would have been good for a four bagger in most major league ball parks. He blasted a 0 and 1 pitch far and away into dead center field. It was tagged for a roundtripper the minute it left the bat. Al Bellas also smashed out a long distance clout for Orange. Beaumont's ace catcher, Mel Crispell connected solidly for a triple with two men on to help Arch Austin's crew to victory.

Beaumont turned the tables by downing Orange 14-9 in the second game of the Bi-County Series. At long last! The final hurling will be done at Vernon Sunday, October 28, when the victor will be acclaimed.

The local service unit of the Salvation Army opened the returned envelopes and found the sum of \$107.61 sent in to date. Have you forgotten your contribution? Last year's amount was \$136.50.

The William Arch Austins had Gladys Jones, Shirley Kozak, and Jean Smith as their guests at the Homecoming Day at Bloomsburg Saturday.

The Ellis Meekers are moving into the house vacated by the Donald Millards.

The Senior Class is expecting to see you at their Hallowe'en party, Tuesday, October 30, when they will have an excellent program and refreshments for your enjoyment.

Fourteen interested women started a class in Chair Caning at the home of Mrs. Clarence Hilbert. The group is being taught by Miss Claire Stankovich who will teach another course in chair upholstering and slip covers to the same group. Future meetings will be at the high school on Wednesdays.

Mrs. L. B. Hilbert, Sr., and Mrs. L. B. Hilbert, Jr., joined Laurence Jr. at the Mert Swartwoods last weekend. Laurence, Jr. has been recalled to service with the U. S. Navy.

Add another accident to the list for Route 309. Two cars going in opposite directions out maneuvered each other's traffic lane and finally clashed—head on—fortunately no person was injured, but the cars had to be towed from in front of Bill Haase's Store.

Phyllis May was a weekend guest of Clara Patton's at Bloomsburg State Teachers' College where Mrs. Ray Gunton and Mrs. Voyle Traver visited their daughters Nancy and Jeanette and saw Bloomsburg beat Shippensburg 33-14. Seldon Traver and Edmund Shook enjoyed the football game also.

Beverly Crispell returned to Roberts Wesleyan College, North Chili, N. Y., where she is a student after a weekend with her parents, the Lawrence Crispells.
