

Congratulations

TO L. L. RICHARDSON

DODGE-PLYMOUTH DEALER

ON YOUR BUILDING EXPANSION PROGRAM

We want to extend our heartfelt good wishes to Jack, and express our hopes for his continued success

Here are photographic views of the various departments and the personnel at L. L. Richardson's. Upper left shows members of the sales and office forces conferring on plans for the opening and the showing of the 1952 Dodge. Left to right: R. E. Phillips, Sr., and Russell W. Parsons, salesmen; Robert B. Lewis, office manager; L. L. Richardson. Upper left center is a view of the greatly expanded service facilities,

capable of accommodating up to seven customer cars for repair work. Upper right center shows Harry A. Pedley, parts manager, behind the counter in the parts department. At the upper right personnel of the service department are grouped in front of one of the work benches. Right to left: Samuel Brown, Victor Cross, Leonard Derby, service manager, James Lord, all of Dallas.

In the center inset is a view of the new offices, while the picture at the lower right is a view of the modern, scientifically lighted showroom where the 1952 Dodge will go on display Saturday morning at 10. In the lower center picture, a Dodge Diplomat is shown on the Weaver lift in the Lubritrium. Lower left is the used car lot on Memorial Hgwy., where a good stock of quality used cars & trucks is on display.
