**Redskins Lose To W. Wyoming**

**Harris Hurt Early In First Quarter**

Dallas Township, in what was probably its worst game of the season, bowed to a weak West Wyoming team 13-7 Saturday on the Dallas Township field. The Redskins, picked to win by better than two touchdowns, outplayed West Wyoming in every department but the scoring.

After a scoreless first half, West Wyoming unleashed a third period passing attack which caught the Redskin defense napping. This surprise flurry netted West Wyoming thirteen points which was enough for the victory. The last quarter saw Dallas Township roll up tremendous yardage but the Redskins could tally but once and so went down to defeat.

The loss of Bob Harris, sturdy essential quarterback in the Redskin attack, early in the first half hurt the Redskins. Harris suffered a bruised chest and may be out for the remainder of the season.

Bob Bellas took up the slack and tore the West Wyoming line to shreds with his slashing runs but he could not account for enough yardage to score more than one touchdown. Roy Tryon also turned in some nice runs but the Redskins lacked the steam to reach paydirt. The Redskins fresh from a 26-0 victory over Tunkhannock looked nothing like the same team Saturday afternoon. The Redskins were rudely jolted in what was supposed to be a tune-up for the big Thanksgiving Day contest.

**Tuberculosis Seals**

Tuberculosis Christmas seals will be mailed to folks in the Back Mountain Area next week. Keep yours, mail your check to the Wyoming Valley Tuberculosis Society, and above all use the stamps so that the fine work of the society is kept before the public for the next month.

**Lehman Loses Another Game**

**Ends Season Tomorrow Against Seminary J V's**

Lehman traveled to Wilkes-Barre Township Saturday afternoon and bowed to the stronger Georgetown eleven 24-13. Even though defeated the Scotties have every reason to be proud of the game.

Lehman was strictly an underdog, conceded a slim chance to even score against the five times triumphant Wilkes-Barre Township.

Coach Tony Marchakitus' eleven fought a game battle and gave the favored Maroon and Grey a bit of a scare.

The Scotties will finish their worst season in years tomorrow against the Wyoming Seminary J V's.

Havoc wrought by graduation turned last year's championship eleven to a valiant but undermanned team this season. Lehman has turned in but one victory this season, a 12-0 win over Factoryville.

However, the Scotties played some pretty close games in which the opponents considered themselves lucky to come off the field on the long end of the score. Lehman's 7-6 loss to Avoca comes under the heading of the Scotties' best played contest. A 19-14 loss to Dallas Township and a 13-7 loss to Moosic were two games in which the Scotties almost made the grade.

**Six Teams Entered In Church Circuit**

Back Mountain Church Basketball League held its first pre-season meeting Monday night at the Dallas Post. Preliminary plans were discussed by the team representatives. This year's league will consist of six teams, St. Paul's, Orange, Shavertown Methodist, Huntsville Christian, St. Therese's and Trucksville Methodist.

The representatives voted to play all the games in one gym opening the league schedule on Saturday, December 1 and playing on each successive Saturday until the end of the season.

The next full league meeting will take place at the Dallas Post on Thursday, November 29 at which time the rosters will be presented along with the entrance fee.

A fifteen-game season was proposed and agreed upon wherein each team in the league will meet every other team in the league three times. The regular season starts December 1 and finishes March 8. It was also agreed to obtain two referees for each game. Incumbent president Don Clark presided at the meeting.

**Noxen**

By Mrs. Earl Beahm  
Phone H. L. 4495

Class-Mates of Noxen Methodist Church will meet at the home of Mrs. Mary Montross Friday night at 8.

The G. I. Bus, chartered for workers from Noxen, Beaumont, and surrounding towns, leaves Noxen at 6:10 AM for Meshoppen. A number of workers work for Salem Corporation, Meshoppen.

Mr. and Mrs. Earl Beahm had as weekend guests Mrs. William Kropp, Edward Derhammer of Athens; Mr. and Mrs. Albert Derhammer, Luzerne; Mr. and Mrs. Lester Derhammer and children, Wilkes-Barre; and Mr. and Mrs. George Boice and daughter Ailene, Harveys Lake.

**Noxen Raising Funds For Salvation Army**

Mrs. Letha Byrne, Chairman of The Salvation Army Service Unit in Noxen Township conferred with Treasurer, Mrs. Helen Dendler regarding the 1951 appeal. Mrs. Byrne stated, "returns have been coming in and our committee hope

to meet our quota. We have arranged to send out a reminder letter to our many friends who have not responded and whom we know are very much interested in helping the Army continue its work in this area."

A percentage of every dollar collected in Noxen Township will remain with the Service Unit committee to be used for welfare purposes throughout this community. This includes the following: shoes, clothing, food, medical help, summer camps, etc.

The Service Unit committee urges all citizens to contribute to this worthy organization. If you did not receive a letter or have mislaid it, send your contribution direct to the treasurer, Mrs. Helen Dendler, Noxen.

**At Holiday Time Or Anytime - - - An ELECTRIC RANGE Does It BEST!**

Your Thanksgiving turkey, ham or roast . . . not to mention pies and other good things that go with the feast . . . will taste so much better and be prepared so much easier with an electric range. If you don't believe it, ask any housewife who has switched from old-fashioned cooking methods to electric cooking.

There's no doubt about it—electric cooking is faster, more efficient, more economical, and lots less work. And there's less waste from shrinkage, too.

There's still time for YOU to have an Electric Range for Thanksgiving if you see your dealer at once. And you'll be so thankful that you did!
