

Wyant Heads Church League

The reorganized Back Mountain Church - Community Basketball League is preparing for a banner season under the leadership of newly elected president Elmer "Tug" Wyant. The season will open tomorrow night at the Kingston Township gym with the first game starting at 7:00 sharp. Three games are scheduled for tomorrow's opener. The first contest finds Trucksville Methodist playing St. Paul's. Huntsville Christian meets Orange in the second game while the finale features St. Therese's playing Shavertown Methodist.

League president Wyant, who is also the Secretary of the Back Mountain YMCA, announced at the final pre-season meeting of the league that the YMCA will donate a yearly trophy to be kept by the regular season champion. This trophy is in addition to the Playoff Cup which is held by the play-off winner from year to year. At the meeting held Tuesday the league representatives discussed the rules for the coming season and decided to play a 15-week regular season schedule starting tomorrow, December 1. All contests will be played on Saturdays and all games will be played in one chosen

gym. Two referees will handle each game.

St. Paul's won the regular season crown last year with Dallas Methodist in the runnerup position. In the playoffs Orange came out as the surprise victor in the final game over Shavertown Methodist after both fives had upset the league leaders in the opening round.
