CRANBERRY-APPLE BREAD STUFFING

To the traditional good-eating, old-fashioned bread stuffing added flavor and texture contrast is contributed by cranberries and apples. The stuffing catches and holds the succulent juices of the bird and increases eating pleasure.

If more than enough stuffing to fill the bird lightly has been made, bake it in a separate casserole for "day-after" meals.

FRESH CRANBERRY-APPLE BREAD STUFFING

1 quart fresh cranberries, chopped
1 quart peeled, chopped apples
2 teaspoons lemon juice
2 cups sugar
1 cup finely chopped celery
2 teaspoons salt
1 gallon 1/2" bread cubes
1 cup water or broth
Combine bread cubes, cranberries, apples, lemon juice, sugar, celery, salt and chopped cubes. Add water and mix well.
Yield: 1 gallon Fresh Cranberry-Bread Stuffing (sufficient for 16 lb. turkey).

JUST five hours after this tiny fawn was born on the grounds of Jasper Park Lodge, celebrated resort in the heart of the Canadian Rockies, a Canadian National Railways photographer made this picture. The little deer had yet to take its first steps. Shortly after the picture was made the mother returned to the thicket where the fawn was hidden; nosed it and the little deer struggled to his feet, and on shaky, pipe-stem legs followed the mother into the deep forest where a twin fawn, born a few minutes earlier, had been led by the mother. To mark the event, Manager Harold J. Gunning of Jasper Park Lodge christened the first-born fawn as "Jasper" and the little boy deer shown above as "Lodge."
