**SOMETHING TO LOOK FORWARD TO**

WE WON'T BE AROUND to see it, but actress Virginia Mayo's prediction is a pleasant one anyway. She models a costume which she says the ladies will wear 1000 years from now. This photo, along with many others, will be put in a steel capsule and preserved for 10 centuries in the Pershing Square Foundation. Los Angeles. (International)

**Mrs. Drake Ready To Retreat To Retreat**

Mrs. Raymond Drake, Center Hill Road, has been posting a bulletin on her front door to report progress, ever since she went into quarantine with young Eric, more familiarly known as Ricky.

Ricky hasn't been sick with his scarlet fever, only socially unacceptable.

Tuesday's bulletin, issued after Ricky had celebrated his fourth birthday in bed with a water pistol, read:

"Patient not so patient. Mamma ready for Retreat".

A scribbled postscript read, "Mamma gone to Retreat."

Kuehn's drugstore making a delivery Wednesday morning, absorbed the report and regarded Mrs. Drake in the flesh.

"Thought you were at Retreat". "Come back for more clothes."
