"WHAT HAPPENED TO YOUR TEAM?"

"WE REPLACED 'EM WITH A MASSEY-HARRIS PONY."

... and it didn't take much convincing when my Massey-Harris Dealer showed me the different jobs I can do with the Pony. Not only that, but I'm planning on putting a couple of cows on the pasture that kept my team. You know, I never realized what a genuine pleasure farming with a tractor is as compared to farming with a team. The best part of it is my Pony has the power, weight, traction and tools to handle every 1-plow job on the place. And I do my work in less time too. Believe me, I'm sure glad I asked for a demonstration right here on my own farm. If I were you, I'd look into the Pony way of farming—it can't be beat in the 1-plow class."
