"FINISHED AT 50?" MAN ALIVE! YOU'RE IN THE PRIME OF LIFE

New Formula, Medically Proven, Quickly Restores Vitality To Folks "Old" At 40-50-60

Life begins at 40 and 50 is the prime of life. Many thousands are peppy at 70. Try "pepping up" with New HI-VITA Tonic. This medically-proven formula goes right to work quickly to wake up your sluggish organs and give you new pep and vitality.

"I have never seen the likes of this New HI-VITA," a registered Nurse of 26 years experience stated recently. "A patient of mine was terribly sick. She was pale and weak and had lost so much weight that she looked almost like a corpse. She had no appetite and slept restlessly. The little food she did eat caused acid indigestion. She was headachy and nervous. Her husband read about HI-VITA in the paper and got a bottle for her. Believe me, I have never seen anybody improve as much as she did almost overnight. She is up and about now, doing her chores like she had never been sick." (This is a bonafide statement given voluntarily by a highly respected professional Nurse.)

New HI-VITA has helped many men and women who had tried other medicines and treatments with little or no results. Contains no alcohol. Go to

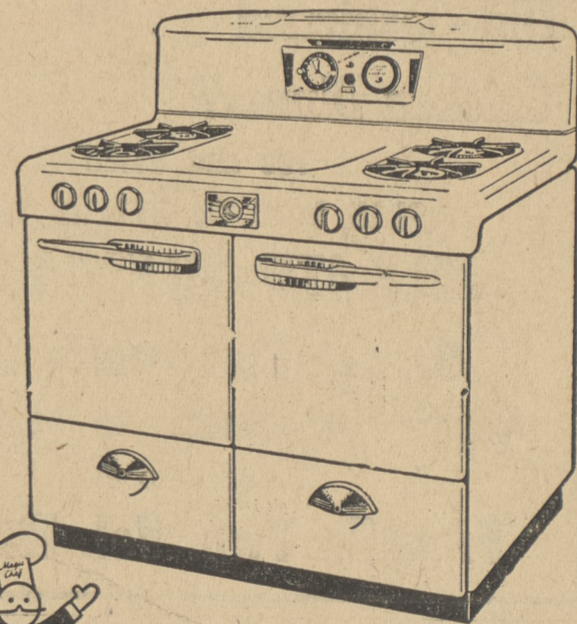

CARL MERRITT'S DRUG STORE, DALLAS

and get HI-VITA now - today! Tomorrow you will be glad you did.
