Forensic Winners To Play In Concert

Three young men from schools of the Back Mountain, who have gained forensic honors in music, will participate in the Fifth Annual Concert at Irem Temple, October 14th.

Ray Harleman, a senior at Westmoreland H. S., who gained a "superior" rating for playing of the baritone horn at Forensic and Music League finals at Harrisburg, will be one of the features of the program. Harleman comes from a family of musicians and started his career in music at ten at Lehigh-ton, Pa., under Prof. Charles Fronheiser.

He played in the Eastern District bands at Mahony City in 1949 and at Nazareth in 1950. His family moved to Dallas in 1950. Under the supervision of Prof. Lester Lewis he played in the Northeastern District Band at Shickshinny in 1952, and was selected to play in the Eastern State Band in the contests at Reading.

Robert Stair, a product of both the Dallas Borough and Dallas Townships schools, who gained a rating of "excellent" in the last Forensic & Music League finals for his perfection on the trombone will

give several selections.

Stair, while attending Dallas Borough schools, studied music under Miss Mangan and Prof. Lester Lewis. In his final year he attended Dallas Township where he studied under Prof. Rees Pelton. He has appeared before the Dallas Women's Club, Dallas Rotary, various church and other public organizations.

Another youthful participant, Eric Vrhel, Jr., who has gained considerable acclaim on the saxophone, will be heard. Vrhel started taking lessons on the clarinet in 1945, and began his saxophone studies in 1951.

He won first prize in the amateur contest at the Paramount Theater in 1950.
