Lovely To Look At— Delightful To Eat

Christmas is always heralded by the wonderful spirit of gracious giving and receiving. At this time of the year it is traditional to exchange gifts—and hospitality. Hostesses all over the land shine up their houses and uncover treasured recipes for holiday entertaining. Whether you entertain in a simple or elaborate manner you'll want to serve the Holly Wreath Nut Cake pictured above. Downy tender, it's rich with the flavor of chopped nut meats and butter cream frosting. Bake it in a 9" tube pan to provide many slices for the holiday guests and make the sprightly poinsettia decoration on top of the cake by fashioning thin slivers of green citron for the stem and maraschino cherry halves for the flower. It's a beauty to behold and a delight to eat!

Holly Wreath Nut Cake

- 2 1/2 cups Swans Down Cake Flour
- 2 teaspoons double-acting baking powder
- 1 1/2 teaspoons salt
- 1 cup sugar
- 1 cup shortening
- *With butter, margarine, or lard, use 1/2 cup milk. With vegetable or any other shortening, use 3/4 cup milk. (Mix by hand or at a low speed of electric mixer. Count only actual beating time. Or count beating strokes. Allow about 150 full strokes per minute. Scrape bowl and spoon or beater often.) Measure into sifter; flour, baking powder, salt, and sugar. Place shortening in mixing bowl and stir just to soften. Sift in dry ingredients. Add milk and add eggs and beat 1 minute longer. Stir in nut meats.
- Turn batter into greased and lightly floured 9-inch tube pan. Bake in moderate oven (375°F.) 1 hour, or until done. Cool. Then spread with Fluffy Butter Cream Frosting and decorate with a wreath of poinsettias made up of cut citron and sliced maraschino cherries.
