

### Dallas-Franklin Boys At Show

Fourteen Students View Machinery

Fourteen Dallas-Franklin Township Vocational Agriculture students returned from Harrisburg where they viewed the Pennsylvania State Farm Show since Wednesday afternoon.

Sheldon Mosier, instructor, Jiggs Elston, and C. J. Eipper furnished transportation.

Mr. Mosier says his boys are interested primarily in modern farm machinery, with dairy cattle a close second. The show is a valuable adjunct to class work in Mr. Mosier's opinion, giving prospective farmers an insight into what is being done to improve and modernize the nation's basic industry, that of producing food.

Students who attended the Farm Show are: Dave Moore, Fred Davis, Tom Rogers, Edward Wall, Don Weidner, Sam Fowler, Roy Carr, Carl Greis, Herb Wertman, Joe Hardick Jack Puterbaugh, H. Shultz, Tom Salinski, and Bob Kubasti.
