Shown here is a corner of Westmoreland High School Library used by 433 students in the junior-senior high school of Dallas Borough-Kingston Township Joint Schools. The library is well equipped with research, reference and fiction as well as reference materials and periodicals, and contains 3110 volumes, forty current magazines and a daily newspaper.

Value Shop Crowded On Friday, Will Be Open For Business Today

The Value Shop, established in Back Mountain Memorial Library for temporary quarters, got off to a good running start on Friday, with children's clothing going like hot cakes, and women's clothing next, \$132. was taken in, of which one-third remains the property of the Woman's Club, two-thirds is returned to the original owners. Many items were received Friday morning, in addition to those garments marked and priced earlier in the week. The assortment remains good, ready for sale today, 1-4 and 7-9. Mrs. Harry Ohlman and Mrs. Dan Robinhold were in charge of opening day, assisted by Mesdames Arthur Ross, Ralph Flannigan, James Beseker, Arch Perry, Thomas Robinson, Don Clark, Mitchell Jenkins. Mrs. Charles W. Lee is general chairman, Mrs. Byron Creasy and Mrs. Herman Thomas co-chairmen. Patrons and sellers are asked to

note sizes carefully, to the end that fruitless trying on of garments will be done away with. Many women's club buyers were among the crowd on opening day, but many others were also present, showing the value of widespread information. People were pleased with the values and went off with their purchases, promising to come back again. The Woman's Club feels gratified at reception of the Value Shop, and expects it to build up into something which will speedily outgrow its small quarters.

VERNAL EQUINOX TODAY

Winter ends and Spring begins this afternoon at 5:01. This is the vernal equinox, the time and point when the sun crosses the celestial equator. This is the day—always about March 20th—when the sun sets exactly due west, and previously arose exactly due east, therefore the great circle of diurnal motion—which at this season is the equator—is bisected by the horizon and day and night are of equal length.

"Next to the pulpit—and perhaps even more so than the pulpit—the press has the widest influence for good or evil. There is no greater field for dissemination of knowledge and education of the people than the newspapers of our country." —Alben Barkley

GUARD YOUR HOME Against WATER

Wet outside? Your home stays dry when walls and basement are treated with ARMOR COAT. It's the protective coating that keeps water out. Used inside and out on all porous masonry, ARMOR COAT goes on just like paint. Durable, economical and selected for quality around the world for more than 20 years. Make your home dry as a desert now. Get ARMOR COAT at your dealer, or write for descriptive folder.

STATE GETS BUSY AND ERECTS MORE BIG WARNING SIGNS
The State Department of Highways has erected two large black and yellow, self-illuminating warning signs at the "Dead End" intersection of Routes 115 and 415. This action on Wednesday followed the thirty-seventh traffic accident at the dangerous intersection on Sunday night. The signs are five by five feet and are placed sufficiently far from the intersection to warn unfamiliar motorists that there is a stop sign ahead.

School Director (vote 1)—William Birth, R; Basil Steele, R.
Justice of Peace—Myron D. Moss, D.

Ross Citizens Resent Tax Hike

(Continued from Page 1)
ceived no dissenting votes when he asked the assemblage if it approved the action of the Auditors in setting the Supervisors' wages. When he asked if they favored an increase in taxes they rejected it without a dissenting vote. At the conclusion of the meeting it was decided to hold another gathering at the Fire Hall and possibly take steps to organize a Ross Township Taxpayers Association. There are presently only two Supervisors in the Township, the third, Henry Trumbower, resigned some time ago when he was unable

Discuss Dental Clinic Policy

No Needy Child To Be Denied Attention

Dallas Township-Franklin Township Parent Teachers Association met at the school auditorium Monday night with Clarence Laidler, president in the absence of both the president, Francis Ambrose, and the vice president, Charles Roberts. Raymond E. Kuhnert led devotions. Secretary's report was submitted by Mrs. Clarence R. Elston, and the treasurer's report by Mrs. John Yaple. Mrs. Catherine Evans, school nurse, reported on the questionnaire "Should a Charge Be Made for Dental Work?" This was prepared by Mrs. Evans and Mrs. Ruth Lewin and sent to the parents. Mr. Laidler read a number of replies. Supervising Principal Raymond E. Kuhnert announced that no child will be refused care because of lack of money, even though a charge is made. Each year the children of the odd grades numbers are examined. Thus every child is examined every other year. The children chosen for dental work are those needing dental work most. No decision was reached as to whether or not a charge should be made for the clinic in the school. This dental clinic is sponsored by the Parent Teacher Association. Supervising Principal Raymond E. Kuhnert announced the combined concert of the band and Chorus will be held April 17 under direction of Mr. James, music supervisor for the remainder of the year. He also announced the athletic and band dinner will be held Tuesday night, March 24. Miss Frances Bubb of the faculty reported on plans for the May Day. It will be just for the secondary grades this year. An operetta will be presented by the elementary grades later. Due to illness, the speaker, Dr. Herman J. Preece, school dentist, was absent. Robert Dolbear commended Dr. Preece and Mrs. Catherine Evans, school nurse for splendid and untiring efforts in the dental clinic. Miss Vernetta Butts and William Prater's room tied for the banner. Edgar Hughes and Daniel Williams rooms served refreshments in the cafeteria. to get along with the other two. Both Holcomb and Harrison operate small farms in addition to their duties as Supervisors.

My Party Lines Are Buzzin'
Everyone Back Here's Talking About
The New Way To Buy Food

Such convenience! Just like having a Super Market in your own home. The choicest meats, fish, poultry, vegetables, fruits, juices and ice cream—all ready for you the moment you need them. And it costs you less than you are spending today.

It's so easy to get the facts—you owe it to your family food budget to see how this simple, convenient, time and money saving food plan works. Send in the coupon TODAY . . . and learn all about

THE F. O. A. FREEZER FOOD PLAN

- ★ You get a four months supply of food of your own choice at **QUANTITY DISCOUNT PRICES**. You get a modern upright freezer to keep it in. All of this is delivered right into your home and placed in a convenient spot of your choice.
- ★ You save money by buying your food at **QUANTITY DISCOUNT PRICES**. The larger your family—the greater the actual savings you make in dollars and cents.
- ★ You can shorten the time of marketing and shopping by as much as 75% . . . and the effort of preparing meals by at least half. Less tedious trips to market; no more waiting to be served or being jostled by crowds; or shopping in bad weather; fewer trips up and down stairs; carrying heavy bundles; or the fatiguing and boring chore of shopping every day without a let-up. And as for preparing meals, no more peeling, podding, fuss with cleaning of vegetables, paring, trimming, and hours spent in endless preparation.
