**FREE METHODIST**

Rev. Russell Vanderhoof, Pastor  
5:20 A.M., Sunrise Service—on hill opposite the church if the weather permits, in the church otherwise.

10:00 A.M., Sunday School, Easter program and Easter message by pastor.

7:30 P.M., Candlelight Service, including the Easter story depicted on felt-o-gram by Mrs. Frank Mathers of Trucksville, and presentation of a pageant, "Challenge of the Cross."

**EASTER—1953**

A soul-weary humanity, burdened by sorrow and thrilled by heroism, rejoices at the coming of Easter. This enriching event of the Christian year is the climax of Lent. It signifies both Christ's mastery of life and life eternal. During Holy Week, Christ proclaimed His spiritual authority, forgave His persecutors, triumphed over the Cross.

Easter says to those of us who are perplexed, "That which happened long ago in a garden-tomb in Jerusalem can happen now in the citadel of one's soul." As we walk through the valley of the shadow of disaster and death and fear and anxiety, we are comforted by, "Lo, I am with you always." We are strengthened with "Come unto me, all ye that labor and are heavy laden, and I will give you rest." We are challenged, "Thou shalt love the Lord thy God . . . and thy neighbor as thyself."

It is a profound paradox of Christianity that victory begins with surrender to the highest. Commitment to the holiest aspirations of man assures justice and brotherhood, harmony and peace. Knowing that consecration to the Christian heritage guarantees the salvation of men and nations, a chastened humanity is penitent before the tragedy of our day. It turns in hope to the Christ.

Christ, once seemingly defeated on a cross, is our guarantee of victory. So Easter, seen against the somber hues of a fear-haunted civilization, heralds a new day of victory. It says to all people, "The glory of Easter will dawn. Its spirit is eternal."

**Toll-Gate Lions Start Campaign**

**Distribute Boxes For Sight-Saving**

Old Toll-Gate Lions are distributed in 100 counter boxes locally and in Luzerne and Wilkes-Barre, mainly to business places, for collection of small change to aid the Lions' sight-saving program. Boxes will be in place for two months. Lear Wagner is chairman for the Old Toll-Gate Club, and Calvin McHose for District 14-H.

Lions are assisted in their location of children needing glasses or treatments for faulty vision by school nurses. Hearing defects are also taken into consideration, with audiometers used in testing reactions. Doctors cooperating with the project make reduced charges for such work, enabling funds to be stretched and more children treated.

The program covers Dallas, Kingston, Lehman, Jackson, and Lake Townships.

March 24th meeting at Pine

**Student Response To Insurance Exceeds 50%**

Response to student insurance at Dallas Borough-Kingston Township schools has been well over 50%, 661 out of a possible 1062 enrolling. Fifty employees have also enrolled. The drive for membership started March 1, ended April 1.

Brook Inn initiated the campaign. Officers of the Club are Robert Williams, president; Lear Wagner, chairman of the drive; George Prater, secretary; Paul Winter and George Howe.
