Flys To Oregon To See Children

Mrs. Clifford Fink, Lehigh Street, Shavertown, left Saturday night by plane for Oregon where she arrived Sunday morning to spend some time with her son and daughter-in-law, Mrs. Clifford "Bud" Fink Jr.

"Bud," a graduate of Kingston Township High School and Oregon State College where he took Forestry, is with the United States Forest Service in charge of lumber sales.

He and his wife make their home at a U. S. Ranger Station deep in the forest along the Calacamus River, thirty miles from Estacada, the nearest town. There are ten other homes and a bunk house on the station.

During World War II, Bud, a former Woolworth manager, piloted forty-five bombing missions over Germany in A-26 and B-26 bombers. It was while he was training in Oregon that he met his wife and decided to take up forestry as a career.

Following Mayor Kniffen's welcome to spectators, the 16-class show will continue until late afternoon. A 21 inch Admiral console television set and a boy's or girl's bicycle will be chanced off during the afternoon session.

At the request of horsemen, a driving class has been added to the show this year. This class is not listed on the prize lists in circulation but will follow Class 6, the Open Parade Class. Horses may be shown to either two or four wheeled vehicles.

According to entries received to date, this year's show promises to be one of the finest of the nine shows staged. Mr. H. R. Bittenbender, show chairman, stated that entries are still being received
